**Subject:** Old BHP Skate Shack

Hi John. We are building a new skate shack at the BHP Ice Rink and I am wondering if you could find out what the process would be to remove the old one and if it is a building the County would deal with or if we can decide how to get rid of it. If you could respond ASAP, it would be most appreciated.

Thanks,

**Abe Fehr**

Sorry Ron, I had forgotten about this a little bit. If we could have the old shack moved off by August 25, this would work for us. Also, the name of the gentleman that has expressed interest is [REDACTED]. He has indicated that he would absorb the cost of moving the building with the County getting nothing in compensation for it. His contact number is [REDACTED]. I believe that is what you required. If I am missing something, please let me know.

Thanks,

We as a snowmobile club would love this building. We plan on using it as a storage facility/ Canteen. Let us know what the board's decision is once you know. We appreciate the fact that you made us aware of this.

Thanks,
