REQUEST FOR DECISION

Meeting: Budget Council Meeting

Meeting Date: December 11, 2024

Presented By: Jennifer Batt, Director of Finance

Title: 2025 Capital Projects

BACKGROUND / PROPOSAL:

As Council is aware, grant funding sources are reducing, and additional pressure has been placed on operating budget by various downloads from the provincial government. Along with the downloading, price increases for soft services including supplies, and contract services has had a negative impact on budgets.

Administration has reviewed Councils 5 year Capital plan, and are recommending some amendments, along with new 2025 Capital Projects to be reviewed by Council. Some of the projects proposed Council may choose to approve, deny, or allocate to future 2026-2029 capital or future plan.

- 2025 Capital projects approved for consideration in the 5 year Capital Plan;
- New 2025-2029 Capital Projects;
- Complete 5 year Plan including all New projects being proposed;
- Future Years Capital Plan was reviewed, and updated.

Administration is requesting Council review the list to assist with investigating funding options, and Councils willingness to move forward on some of the projects in 2025. There is currently \$27+M being requested in 2025, with an estimated \$3.5M in grant funding.

All projects recommended would require funding from various reserves, or grants if applicable and available, or some projects Council may choose to fund by means of Debenture, Local Improvements, or a Special Tax Bylaw.

OPTIONS & BENEFITS:

REQUEST FOR DECISION

Meeting: Budget Council Meeting

Meeting Date: December 11, 2024

Presented By: Jennifer Batt, Director of Finance

Title: 2025 Operating Budget

BACKGROUND / PROPOSAL:

Administration presented the draft 2025 Operating Budget for Councils review on October 30th, and November 19th.

The 2025 Operating Budget presented is based on current expense review, and service levels as identified by Council in 2024. Administration will gain further information from this Council meeting to review and update the draft operating budget.

Included in this draft budget is:

- Administration's review of expenditures, and required budgets to maintain current service levels
- Tax Revenue estimated adjustment for reduction in linear, and estimated residential and non-residential growth. An inflationary growth is included in the estimates provided within the draft 2025 operating budget.
- 2024 Police Costing Model Municipal Share No funding attached press release
- Council Committees current
- Administration Workshop, Conference, and Training requests
- Regraveling program
- Gravel Crushing
- 2025 funding allocated to Non-Profit Organizations, and utility amendments
- Funding of Reserves as per Policy
- Approved Organizations Chart as of 2024-10-30
- Regraveling budget increase request reduced Tracking Sheet Change #1

- One Time Projects approved at the October 30th Council meeting Tracking Sheet Change #2
- Operating Contract Changes, and Utility amendments Tracking Sheet Change #3
- One Time Additional Projects approved at the November 19th Council meeting Tracking Sheet Change #4
- One Time Carry Forward Projects that require additional funding approved at the November 19th Council meeting – Tracking Sheet Change #5
- 2025 recommended Non-Profit Organization Grants at the November 19th Council meeting Tracking Sheet Change #6
- Reallocate Not for Profit insurance from "Insurance" to "Grant" expense.
- Administration identified Operating Budget amendments Tracking Sheet Change #7

Not Included in this draft budget:

- 2024 Carry Forward One Time Projects*
- Proposed 2025 One Time Projects
- Any service level changes not approved by Council motion

*2024 One Time Projects being carried forward are fully funded, and will have no negative impact on the 2025 operating budget, unless additional funds are being requested. Once approved to be carried forward administration will include the budgets for these projects in upcoming budget meetings once projects have finalized spending.

**2024 Year to Date (YTD) Actuals are as of August 31, 2024.

While drafting the 2025 Operating Budget, administration will ensure to incorporate any service level changes into the 2026 & 2027 operating budgets for Councils review, and approval in subsequent Budget Council Meetings.

The fiscal year for all municipalities in Alberta is the calendar year i.e. starts January 1st and ends December 31st. If a 2025 Operating budget is not at approved at this meeting, Council is required to adopt an interim operating budget to continue day-to-day operations until the annual operating budget is adopted by Council. *Section 242(2) of the Municipal Government Act* provides the legislative authority for Councils to adopt an Interim Operating Budget for part of a calendar year.

Historically, when Council passes an Interim Operating Budget, they released 50% of the Non-Profit Organizations Operating Grants that was previously approved. Administration is requesting a motion if Council wishes to continue this practice.

OPTIONS & BENEFITS:

2025 Operating Budget Approval

Administration will bring forward for recommendation any amendments required, including taxation assessment actual amending the budget from time to time.

The approval of the 2025 Operating Budget will allow for the payment of expenses for operating needs and the provision of services to the ratepayers. Council may choose to continue to review service levels, amend services, while allocating the remaining surplus to reserves for future projects.

Interim Budget

The approval of an interim operating budget is required to comply with legislation if the 2025 Annual Operating Budget will not be adopted prior to January 1, 2025.

The approval of the interim will allow for the payment of expenses for normal operating needs and the provision of services to the ratepayers.

Council may choose to continue to review service levels, amend services, or allocate the remaining surplus to reserves for future projects.

EXECUTIVE SUMMARY

2025 OPERATING DRAFT BUDGET HIGHLIGHTS – December 11, 2024

Mackenzie County administration has drafted this budget on the current service levels adopted by Council. Administration is requesting Councils direction to assist in gaining additional information and direction which Council would like administration to ensure the County is providing value for the property tax dollar reflected in the proposed 2025 Draft Operating Budget.

Administration continues to develop the 2025 budget on a tax and user pay supported budget, while limiting the effect of service levels. User pay revenue assists in offsetting the shortfall in revenue from tax levies, while not effecting the residential, and non-residential mill rates. This is a budget that looks at the now – it prioritizes maintaining essential services and programs and supports initiatives to help decrease the burden on our residents during these challenging times. It is also forward-thinking, ensuring our investments support community sustainability and quality of life today.

Expenditure shifts are primarily due to anticipated, increase in costs such as various repairs and maintenance identified, wages, contractual agreements and, goods and supplies. Realizing the full year impact of the Police Costing Model had an impact on this year's budget development. Included in this draft budget are contributions to reserves while budgeting for bad debt/write off of taxes, while increasing previous years regraveling program, and need for culvert replacements.

Overall the County's draft taxation expenditures are proposed at \$40,825,853 which is showing a decrease of \$1,554,582 compared to the 2024 budget. \$2,279,137 of the noted decrease are one-time projects from 2024 that are not incorporated into this draft budget. Not including one-time project would have the operating budget expenditures requesting an overall increase of

\$724,555. Administration continues to review service level costs, and services provide.

There are anticipated reductions in linear assessment, a 3-4% increase in residential growth including inflationary, and 1% growth for industrial/commercial.

The County's objective is to have a balanced budget once all budget deliberations, and Council service level amendments are incorporated.

The County continues to be affected by many factors that put upward pressure on the budget. These include industry shutdowns, non-payment of taxes, inflation, reductions in provincial/federal funding, escalating infrastructure renewal and maintenance costs, changing legislative requirements and carbon tax increases.

Provincial & Federal Fiscal Retrenchment & Impacts

The following are examples of additional challenges the County has managed as a direct result of fiscal retrenchment and policy impacts of the upper tier governments:

- Provincial Local Government Fiscal Framework grant funding was implemented in 2025, and the operational funding is incorporated in the 2025 Draft budget being presented.
- The future impact of the Carbon Tax has been budgeted as an expenditure of approximately \$240,000 by the County on the goods (fuel, utilities, etc.) required for service delivery.
- Imposing service standards changes via legislation and regulations without any financial support.
- Police costing model, where municipalities are responsible for funding a portion of the cost of Provincial Police Services. The 2025/2026 expense is anticipated to change as the municipality completed their Census, and the funding model accounts for population served within the municipality, not including First Nations reserves.

OPERATING BUDGET OVERVIEW

The 2025 Proposed Operating Budget was prepared on the premise that the County will deliver the same level and quality of services approved in the 2024 Operating Budget. The base operating budget revenue to expenditures is currently anticipating a surplus of funds of \$376,361. Included in the draft operating budget is any approved one-time projects, and their funding components. The surplus is partially indexed on anticipated investment income, and should not be incorporated into future budget years without review.

Exhibit 1: Revenue Changes included in the Operating Budget details the shifts and reasons driving these revenue changes. These revenue changes show an overall decrease of \$1,093,222. These changes are detailed in Exhibit 1 below.

YTD - August 31, 2024

Exhibit 2: Expenditure Changes Included in the Operating Budget details the shifts and reasons driving these changes. These expenditure changes show an overall decrease of \$1,554,582. The major changes are detailed in the notes explaining Exhibit 2 below.

YTD - August 31, 2024

Exhibit 1: Revenue Changes in the Operating Budget: -\$1,093,222

[100] Municipal Taxes has an overall <u>estimated</u> increase of \$887,271. Anticipated reduction in linear assessment due to industry shutdown while taking into account residential & Non-residential growth and inflation at the current mill rate, and farmland minimums.

[421] Water Metered has been increased by \$44,840 to reflect three-year sales average and growth factor. New anticipated customers have been included in this calculation.

[422] Bulk Water Sales has been increased by \$10,812 to reflect the growth forecast.

[550] Interest Revenues have increased by \$450,000. This increase is anticipated as the County has, and anticipated future favourable returns on investments.

[840] Contribution from Other Source Grants have decreased by \$611,945 primarily from the one time projects that are not incorporated into the existing draft budget.

[909] Contribution from Other Sources have decreased by \$583,337 solely from the one time projects are not incorporated into the existing draft budget.

[930] Contribution from Operating & Capital Reserves are \$1,860,000 as the 2025 draft budget is funding gravel crushing from the Gravel Crushing Reserve in the amount of \$1,700,000. The other reserve funding currently allocated in the draft 2025 operating budget is \$50,000 for gravel reclamation, and \$25,000 for a one time project.

Exhibit 2: Expenditure Changes in the Operating Budget -\$1,554,582

[110] [132] [136] Wages and Benefits had an increase of \$144,544. The changes from the 2024 approval reflect the following: Approved level increases to staffing while ensuring service levels, and other adjustments as set out in the union agreement.

[151] Honoraria's have decreased by \$60,535 to reflect historical expenses for fire fighter honorariums, and council attendance at conferences, workshops, and meetings. It is anticipated that Council will be attending more conferences and the wish to engage with Provincial Ministers.

[214] Memberships & Conference fees increase of \$5,282 which reflects the increase in administration courses being offered.

[252] Repairs and Maintenance Buildings reflects an increase of \$10,510 based on anticipated repairs identified for 2025.

[253] Repairs and Maintenance Equipment reflects an increase of \$89,630 based on anticipated existing municipal equipment servicing requirements.

[259] Repairs and Maintenance Structural reflects a decrease of \$47,900 based on the requested increase for the regravelling program, and adjusting the expenses identified within this budget line.

[274] Insurance shows a decrease by \$84,723 based on a reallocation of insurance to 735 Grants to Other Organizations.

[511] Goods and Supplies increased by \$80,927 based on anticipated increase in pricing that was realized in 2024.

[521] Fuel and Oil reflects a decrease of \$55,432 based on current actual averages within the existing fuel agreement entered into in 2024.

[534] As the County has 2,369 km of roads within the Municipality, regraveling is a large expenditure every year. In 2024 Council approved an additional \$850,000 to this budget, and administration has requesting that \$600,000 approved again in 2025.

[536] As the County last crushed in 2022, administration is requesting a budget of \$1,700,000

for the 2025, with funding coming from the Gravel Crushing Reserve.

[543] [544] Utilities (Natural Gas & Electricity) with agreements the municipality was able to enter into for electricity costs, a decrease of approximately \$46,306 is identified within the budget reflecting current actual averages

[735] Grants to Organizations increased by \$149,188 as grants were recommended at the November 19th, 2024 budget meeting.

[831] [832] Interest & Principle on Debt is increased by \$1,102,960 as the 2024 La Crete North Sanitary Sewer project was incorporated in the budget.

[763] [764] Contributions to reserves are reflected at \$3,419,928 to assist with funding future operating & capital expenditures. Included in these contributions are specific revenues that should be contributed to the reserves namely: Municipal Reserve Revenue; Gravel Reclamation Reserve; and Off-Site Levies totalling, Water/Sewer Reserve, and Road Reserve.

[921] Bad Debt has been budgeted for \$1,855,000, the same request as 2024. The municipality had entered into multiple large dollar tax payment agreements in 2021, 2022, and 2023 that have not been honored. Based on anticipated needs and analysis of aging schedules related to various taxes outstanding, to ensure fiscal responsibility, this bad debt amount is best practice.

[One Time Projects] 5 One Time Projects have been incorporated into the draft operating budget:

- 1 Rural Traffic Counts \$75,000
- 2 Aerial Imagery \$150,000
- 3 Planning for Tompkins River Crossing \$100,000
- 4 Public Works Shop Floor \$12,000
- 5 Well #4 Repair \$85,000
- 6 Additional Funds Fish Ponds \$25,000

Exhibit 3: One-Time Projects 2025

Historically the County has considered items during budget deliberations that have been identified as one-time projects. As Council was very budget conscious in 2024, minimal new one-time Projects were approved. Administration has presented 2024 one time projects that administration has identified as completed, is requesting be carried forward, or requiring additional funds.

During the October 30th Budget Council Meeting, 3 new one-time projects were approved by Council, and incorporated into the 2025 Operating Budget:

| Aerial Imagery | \$150,000 |
|--------------------------------------|-----------|
| Rural Traffic Counts | \$ 75,000 |
| Planning for Tompkins River Crossing | \$100,000 |

During the November 19th Budget Council Meeting 2 additional one-time projects were approved by Council and have been incorporated in the 2025 Operating Budget:

| Fort Vermilion Shop Floor Repair | \$ 12,000 |
|----------------------------------|-----------|
| Well #4 Cleaning | \$ 85,000 |

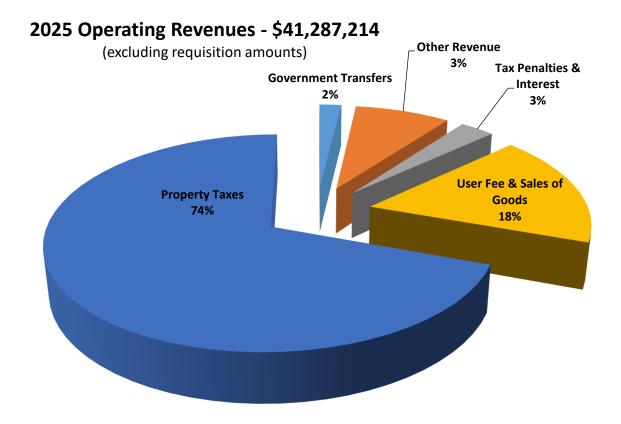

Exhibit 4: 2025 New/Amended Fees for Service Initiatives

Departments demonstrated financial constraint, as the County must collect municipal taxes to fund essential services like fire, waste management, road maintenance, and water supply. Administration is submitting a limited number of funding requests to maintain service levels, or offer new programs which are included in the budget summaries presented above. No current or amended Fees for Services, or levels of service are being presented by administration at this time. The 2025 draft budget will be amended based on Council's directive of these New Initiatives.

While all the initiatives proposed by staff address legitimate County concerns, Council has the opportunity during budget deliberations to amend, defer, or delete any or all of the proposed items.
