

## Municipal District of Mackenzie No. 23

<b>Title</b>	<b>ROADSIDE BRUSH CONTROL</b>	<b>Policy No.</b>	<b>PW013</b>
--------------	-------------------------------	-------------------	--------------

<b>Legislation Reference</b>	<b>Municipal Government Act, Section 18</b>
------------------------------	---

**Purpose**

To control the regrowth of brush along municipal roads.

**Policy Statement and Guidelines**

The Council for the M.D. of Mackenzie No. 23 shall develop plans for brush control for inclusion in the long range and annual road programs.

Public Awareness/Consultation that adjacent landowners wanting shelterbelts should develop these on their own property, not the road allowance, should be increased.

The tentative schedule for completing work shall be:

Year 1 – brushing and disposal of brush piles  
 Year 2 – roadside spraying for weeds and trees  
 Year 3 – ditch cleaning and definition

When spraying is the method chosen:

- Only herbicides registered for roadside brush control will be used
- Application will be by a certified applicator in accordance with Alberta regulations

Environmental impacts shall be considered during brush control operations in accordance with the Industrial Vegetation Management Association of Alberta Standards and Good Practices.
