

Mackenzie County SENIOR DUST CONTROL APPLICATION

Policy PW009 Schedule "A"

Applications will be accepted from January 1st to April 1st annually.

Applicant Name: _____

Date of Birth: _____ Confirmed Senior Citizenship: _____

Legal Land Location: _____

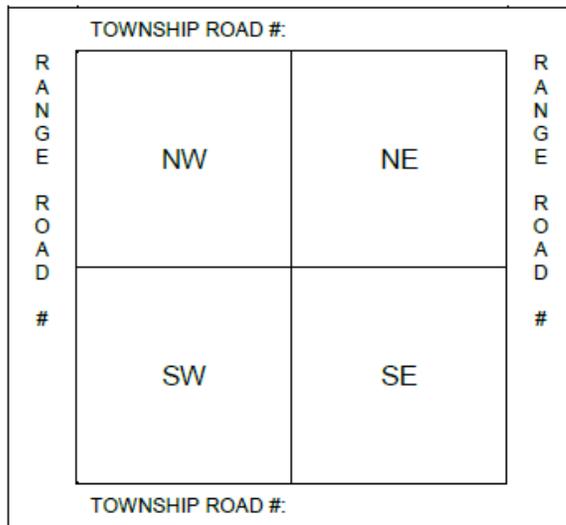

Rural Address: _____

Address: _____ Phone: _____

City: _____ Cell: _____

Province: _____ Postal Code: _____ Tax Roll: _____

- On the map below identify the section of roadway where the dust control application is requested. Mark on any land marks, such as residences, accesses or utilities which will help identify the area to be treated.

Unless otherwise stated the dust control product will be placed equally on either side of the access.

Or apply: _____

- Cost to applicant is established in the Fee Schedule Bylaw. Heavier applications or lengths longer than 200m will not be considered.
- Mackenzie County reserves the right to:
 - Accept or reject any request, and
 - Schedule the application of dust control at their convenience.
- At all times Mackenzie County reserves the right to maintain treated sections of roadway as deemed necessary. This may include, but is not limited to grading of roads, regravelling of roads, etc. The County will not be responsible for any financial reimbursement, or for the re-application of any dust control product, to any areas of roadway that have been repaired.**
