Domestic/Household Waste - means daily-generated waste such as, food scraps, tissues, kitchen waste, and bathroom waste.

Commercial Waste - means any waste generated from businesses such as, but not limited to, stores, garages, hotels, motels and restaurants.

Demolition / Construction / Renovation Waste - means any material that comes from or goes into erecting, demolishing or repairing a structure, and includes, but is not limited to: tubs, toilets, insulation, lumber, drywall, windows, doors, flooring, carpeting, sinks and such.

Institutional Waste - means waste generated from institutions such as hospitals, schools, long-term care facilities and lodges.

Industrial Waste - means any waste generated from an industry such as forestry and energy.

Burnable Material - means branches and untreated wood product.

Miscellaneous Waste - means loose or boxed waste generated from ship yard, basement, house or garage clean-up. May contain items such as bedding/pillows, small furniture, lawn furniture, plastic toys/pools, etc.

Material Not Accepted at the Waste Transfer Stations:

- Hazardous waste
- Antifreeze
- Liquid waste
- Any sludge
- Untreated biomedical or pathological waste
- Radioactive waste
- Explosives
- Dead animals
- Dangerous goods (as identified in CANUTEC Guide), and in accordance with the Transportation of Dangerous Goods Act
- Animal manure
- Any other waste that may be designated by Mackenzie County or Local Health Authorities

Note: Mackenzie County reserves the right to control the type and nature of refuse which may be deposited at the transfer station and no refuse may be deposited at the transfer station except in accordance with the transfer station operations manual. Anyone found to be littering waste to be disposed of at the Waste Transfer Station or Landfill shall be subject to a fine of \$1,000.00.
