La Crete Golf Course Box 2359 La Crete, AB TOH 2H0

June 19, 2018

Mackenzie County Box 640 Fort Vermilion, AB TOH 1NO

To Mackenzie County Council,

It has come to the attention of the Golf Course Committee that Mackenzie County Council has approved a project to rebuild half a mile of the Range Road 15-1. We understand that the project funding is in the amount of \$205,000. This is wonderful news for the residents living in this subdivision!

To further benefit the residents in the subdivision, the Committee would like to propose paving 1400 meters of the access road and internal roadways. The Committee has received a quote for the complete project at \$481,250, with the material portion being \$300,050. We feel that this is a great opportunity and one that we cannot pass up.

As the Committee, we do not have the necessary funds to accept the quote as it was presented to us. Therefore, we would like to request that Mackenzie County donate the allocated funds of \$205,000 to the Golf Course Committee. Secondly, we would respectively ask that Council consider adding \$100,000 to the project. With \$305,000 the Committee would be able to pay for the materials to see this entire project realized. The balance of \$176,250 would be paid for by the Committee.

We trust that you feel our excitement for this project and will support us in our endeavor to bring forth ideas for continual growth within our County.

Sincerely,

Jake Froese La Cresse Golf Course President

### **REQUEST FOR DECISION**

Meeting: Regular Council Meeting

Meeting Date: June 27, 2018

Presented By: Byron Peters, Deputy Chief Administrative Officer

Bylaw 1097-18 Land Use Bylaw Amendment to Add the Definition and Interpretation of Cannabis Grower and

Cannabis Retailer/Distributor and to add Cannabis Grower as

a discretionary use to the Rural Industrial Light "RIL" district

Title: and to the Direct Control 1 "DC1" district and to add

Cannabis Retailer/Distributor as a discretionary use to the Direct Control 1 "DC1" district, the Fort Vermilion Commercial Centre "FV-CC" district, and the Zama City Mixed Use "Z-MU"

district

### BACKGROUND / PROPOSAL:

Mackenzie County administration has been requested to add Cannabis Grower and Cannabis Retailer/Distributor as uses in the Land Use Bylaw.

Cannabis Retailer/Distributor is defined as:

**Cannabis Retailer/Distributor** means someone running a retail store licensed by the Province of Alberta where non-medical Cannabis and Cannabis Accessories are sold to individuals who attend the premises.

Cannabis Grower is defined as:

**Cannabis Grower** means a producer of cannabis that has obtained a federal license and is one who complies with the terms and conditions of that license.

Administration had been directed to include the Cannabis Retailer/Distributor use in the same land use districts that already have Retail – Liquor as a use. The applicable land uses are Direct Control 1 "DC1", Fort Vermilion Commercial Centre "FV-CC", and Zama City Mixed Use "Z-MU".

Direct Control 1 "DC1" district gives Council authority to exercise specific direction and control over the use and development of land and buildings in particular areas of the County.

The Municipal Planning Commission will be the development authority for the use in the Fort Vermilion Commercial Centre "FV-CC" district and the Zama Mixed Use "Z-MU" district.

The Alberta Cannabis Legislation was passed on November 30, 2017.

The distribution system will be similar to the system Alberta currently has in place for alcohol.

Government-regulated distribution will ensure a level playing field for large and craft producers, and prevents small communities from being penalized for delivery costs by making sure product is shipped at the same price no matter where it's going.

All physical retail locations will have strict government oversight through licensing by the AGLC. The AGLC will be able to set terms and conditions on licences, as well as inspect licensees and address any violations. This will help ensure private cannabis retailers operate responsibly and lawfully.

Licensed retail establishments will be the only stores that can sell cannabis, and will not be able to sell cannabis if they sell alcohol, tobacco or pharmaceuticals.

Legislation will help keep cannabis out of the hands of young people by requiring purchasers to show ID if they appear under to be 25, not allowing minors to purchase cannabis or be on licensed premises.

Provincial regulations establish who can own and operate a cannabis retailer. This includes:

- mandatory background checks for potential retailers and workers
  - no licenses for applicants linked to organized crime, illegal drug trade or with convictions related to offenses such as drug trafficking or violence
  - o renewal of retail licenses required at least once every 2 years
- limiting licenses for any single person, business or organization at 15%
  - the AGLC will limit licenses each year based on existing licenses issued the previous year
  - o allows smaller retailers to enter the market
  - review of system in 5 years

Staff who work at cannabis retail outlets will have to be at least 18 years of age, undergo a background check and complete mandatory AGLC training through a program called *Sell Safe*. This 4-6 hour course is similar to what employees in the

gaming and liquor sectors must complete. This program will launch later this year in advance of legalization.

Additionally, the regulations establish where private cannabis retail can be located. A 100 meter buffer between cannabis retailers and schools or parcels of land designated as school reserve and provincial health care facilities will help keep cannabis out of the hands of children and protect public health.

Cannabis retailers may be open from 10 a.m. to 2 a.m., the same as liquor stores. They will be subject to extensive security requirements.

Municipalities have the ability to include additional regulations, to restrict hours of operation, and to increase the buffer zone.

Currently, a Direct Control 1 "DC1" district can't be within 152.4m (500 feet) of a Place of Worship, Education Facility, Park, Day Care Facility, or Government Service unless otherwise approved by Council.

This item was taken to the Municipal Planning Commission on April 26, 2018 for recommendation and the following motion was made:

The Bylaw has been advertised for three (3) weeks in the newspaper.

### **OPTIONS & BENEFITS:**

These uses will have to be regulated by both the Municipal Planning Commission and Council. These development authorities can approve or deny any application within reason, and add additional conditions to further regulate the use.

Municipal development permit applications can be approved before federal and provincial legislation is in place. Businesses will not be able to begin operations until federal and provincial legislation is approved and a provincial permit is granted.

In order to receive a provincial permit, a municipal development permit must be granted beforehand.

Options are to pass, defeat, or table second and third reading of the bylaw.

### **COSTS & SOURCE OF FUNDING:**

All costs will be borne by the applicant.

### **SUSTAINABILITY PLAN:**

The sustainability plan does not address any topics that affect this bylaw amendment.

### **COMMUNICATION:**

The bylaw revision has been advertised as per MGA requirements.

### **REQUEST FOR DECISION**

Meeting: Regular Council Meeting

Meeting Date: June 27, 2018

Presented By: Byron Peters, Deputy Chief Administrative Officer

Bylaw 1098-18 Land Use Bylaw Amendment to rezone all existing rural parcels that contain a "Place of Worship"

and/or an "Education Facility" from Agricultural "A" to

Institutional "I"

### **BACKGROUND / PROPOSAL:**

This item is being presented to address all existing rural parcels of land containing a Place of Worship and/or an Education Facility located in Mackenzie County. This bylaw would be an umbrella revision to place all Places of Worship and Educational Facilities that are currently in the Agricultural "A" District to the Institutional "I" District where it is more appropriate.

Place of Worship and Educational Facility are no longer considered uses in the Agricultural "A" district.

The overlay is added to the land use bylaw under general regulations and will be applied directly to the land locations affected as attached. This is to preserve the integrity of the zoning districts.

Bylaw 1098-18 was presented to the Municipal Planning Commission on April 26, 2018 where they made the following motion:

### MPC-18-04-058 MOVED by Jack Eccles

That the Municipal Planning Commission recommend to Council to approve of Bylaw 1098-18 being a Land Use Bylaw Amendment to rezone all existing rural parcels that contain a Place of Worship and/or an Educational Facility from the Agricultural "A" district to Institutional "I" district, subject to public hearing input.

First reading was taken to Council on May 8, 2018 and the following motion was made:

### **MOTION 18-05-354 MOVED** by Councillor Bateman

That first reading be given to Bylaw 1098-18 being a Land Use Bylaw Amendment to rezone all existing rural parcels that contain a Place of Worship and/or an Educational Facility from the Agricultural "A" district to Institutional "I" district, subject to public hearing input.

### **CARRIED**

The bylaw has been advertised and all adjacent landowners were notified.

### **OPTIONS & BENEFITS:**

All institutional uses in rural Mackenzie County will now be in compliance with the Land Use Bylaw.

Options are to pass, defeat, or table second and third reading of the bylaw.

### **COSTS & SOURCE OF FUNDING:**

Costs will consist of advertising the public hearing and notifying all affected landowners, which will be borne by the Planning Departments operating budget.

### SUSTAINABILITY PLAN:

The sustainability plan does not address any topics that affect this bylaw amendment.

### **COMMUNICATION:**

The bylaw revision has been advertised as per MGA requirements and all adjacent landowners were notified.

Title: Policy ADM056 Public Participation

### **BACKGROUND / PROPOSAL:**

Section 216.1(1) of the *Municipal Government Act*, Revised Statutes of Alberta 2000, Chapter M-26, as amended on October 26, 2017, requires municipalities to establish a Public Participation Policy, which must be in place by July 23, 2018.

Mackenzie County currently has a Citizen Engagement Policy which has been edited to be replaced by a Public Participation Policy based on the guidelines provided to municipalities. A copy of the amended policy is attached for Council's consideration and approval.

### **OPTIONS & BENEFITS:**

Public participation promotes public awareness and enables the public to provide input in the local government decision-making process. An effective participation policy is essential for any municipality to receive important information out and provide a forum for resident feedback.

| Legislation<br>Reference | Municipal Government Act Section 227 Public Participation Policy Regulation | 7 <del>-230</del> <mark>216.1</mark> |        |

### **Purpose**

Public input participation is essential to the municipal decision making process. The purpose of this policy is to identify the method, level and process of communication and citizen engagement required prior to making certain levels of decisions. recognize the value of public participation and create opportunities for meaningful public participation in decisions that directly impact the public.

This Policy is in supplement to the legislative public engagement and advertising requirements that exist. This Public Participation Policy does not modify or replace the statutory public hearing requirements in the *Municipal Government Act*.

### **Policy Statement:**

Mackenzie County supports citizen engagement as a process for making better decisions that incorporate the interests and concerns of the general public and/or affected stakeholders. Mackenzie County is committed to creating an informed citizenry.

Through citizen engagement, Mackenzie County is committed to building trust by attempting to resolve conflict among opposing community interests in search of the best sustainable solutions.

### **General Principles**

Council recognizes that good governance includes engaging Municipal Stakeholders in Public Participation by:

- 1. Creating opportunities for Municipal Stakeholders who are affected by a decision to influence the decision;
- Promoting sustainable decisions by recognizing various Municipal Stakeholder interests;

- 3. Providing Municipal Stakeholders with the appropriate information and tools to engage in meaningful participations; and
- 4. Recognizing that although councillors are elected to consider and promote the welfare and interest of the Municipality as a whole and are generally required to vote on matters brought before Council, facilitating Public Participation for matters beyond those where public input is statutorily required can enrich the decision making process.

### <u>Definitions</u>

"Citizen Engagement" means the process of involving the public in decisions and initiatives that affect them, including policies, plans, strategies, programs and services.

"CAO" means the Chief Administrative Officer of the Municipality or their delegate.

"Consensus Building" means an agreement reached by Council and all interested stakeholders when all parties agree that they can live with the matter being proposed after every effort has been made to meet all relevant interests.

"Council" means the elected governing body of a municipality.

"Delegated decision" means the assignment of decision making authority to public members.

"Municipal Stakeholders" means the residents of the Municipality, as well as other individuals, organizations or persons that may have an interest in, or are affected by, a decision made by the Municipality.

"Public" means the most general and inclusive term for participants of public processes in the municipal context. This term includes individuals, not-for-profit, community and corporate organizations.

"Participatory decision making" means involving public members in the decision making process through shared leadership and the exchange of information, ideas and perceptions.

"Citizen Public Advisory Committee" means a Council appointed ad hoc committee on which public members observe, advise and liaise on behalf of all citizens for consideration by Council and Administration. Committee terms of reference are to be developed as required for individual Council decisions.

"Public Participation" includes a variety of non-statutory opportunities where Municipal Stakeholders receive information and/or provide input to the Municipality.

"Public Participation Plan" means a plan in which identifies which Public Participation Tools to be used to obtain public input in a particular circumstance.

"Public Participation Tools" means the tools that may be used, alone or in combination, to create Public Participation opportunities including, but not limited to:

- in-person participation which may include at-the-counter interactions, door-knocking, interviews, meetings, round-tables, town halls, open houses and workshops;
- b. digital participation which may include online workbooks, chat groups, webinars, message boards/discussion forums, and online polls or surveys;
- c. written participation which may include written submissions, email, and mail-in surveys, polls and workbooks; and
- d. Representative participation which may include being appointed to an advisory committee, ad hoc committee or citizen board.

### **Principles & Guidelines**

Mackenzie County will follow the following principles:

- 2. Be proactive; anticipate community conflict before it happens.
- 3. Honour the public service commitment to engage with people and provide a real opportunity to influence the outcome.
- 4. Be accountable and transparent; be respectful and responsive to the public.
- 5. Ensure that proper planning for the engagement process takes place to avoid failures at public meetings.
- 6. Once the proper engagement and dialog takes place, if community conflict still exists, utilize direct democracy tools such as plebiscites as necessary.

Mackenzie County will use the following guidelines:

7. Council will communicate and engage citizens to allow for input throughout the decision making process for events identified in this policy.

- 8. The event will determine the type and level of engagement. The events are listed in Schedule "A."
- 9. If two types of participation are identified in Schedule "A," Council will determine the type required.
- 10. The process/tools of engagement that Council can select is listed in Schedule "B."
- 11. Council will communicate to the public the final decision.

### Council Responsibilities

### 5. Council shall:

- a. Review and approve Public Participation Plans developed by the CAO in accordance with this Policy or as directed by Council;
- b. Consider input obtained through Public Participation;
- Review this Policy to ensure the Policy complies with all relevant legislation, municipal policies and the spirit and intent of Public Participation;
- d. Ensure appropriate resources are available to solicit Public Participation in accordance with this Policy;

### Administration Responsibilities

- 6. The CAO shall:
  - a. In accordance with this Policy or as directed by Council, develop Public Participation Plans, for Council approval;
  - b. Implement approved Public Participation Plans;
  - c. Report the findings of the Public Participation to Council;
- 7. Administration will assess and identify when citizen engagement public participation is necessary and which type of engagement participation should be used. When there is no legislative requirement for public consultation, administration will recommend to Council the level of engagement participation required as per this policy.

### **Policy Expectations**

### Legislative & Policy Implications

- 8. All Public Participation will be undertaken in accordance with the *Municipal Government Act*, the *Freedom of Information and Protection of Privacy Act* and any other applicable legislation.
- 9. All Public Participation will be undertaken in accordance with all existing municipal policies.
- 10. This Policy shall be available for public inspection and may be posted to the Municipality's website.
- 11. This Policy will be reviewed at least once every four years.

### Public Participation Standards:

- 12. Public Participation will be conducted in a sustainable and inclusive manner having regard to different levels of accessibility.
- 13. Public Participation activities will be conducted in a professional and respectful manner.
- 14. Public Participation Plans will consider early, ongoing and diverse opportunities to provide input.
- 15. Municipal Stakeholders who participate in any manner of Public Participation are required to be respectful and constructive in their participation. Municipal Stakeholders who are disrespectful, inappropriate or offensive, as determined by Administration, may be excluded from Public Participation opportunities.

### **Public Participation Plans**

- 16. When so directed by this Policy or Council, the CAO shall develop a Public Participation Plan for approval by council which shall consider the following:
  - a. the nature of the matter for which Public Participation is being sought;
  - b. the impact of the matter on Municipal Stakeholders;
  - the demographics of potential Municipal Stakeholders in respect of which Public Participation Tools to utilize, levels of engagement and time for input;

- d. the timing of the decision and time required to gather input;
- e. what information is required, if any, to participate; and
- f. available resources and reasonable costs.
- 17. "Schedule A" identifies various events which Public Participation is required and what type of participation will be used.
- 18. "Schedule B" identifies the Public Participation Tools that may be used.
- 19. The Chief Administrative Officer CAO or designate is responsible for ensuring that this policy is enforced.

The following has been prepared by the Alberta Association of Municipal Districts and Counties (AAMDC) and the Alberta Urban Municipalities Association (AUMA), in partnership with Brownlee LLP.

This Guidance Document is an educational tool that contains general information intended to assist municipalities in developing a Public Participation Policy and Public Notification Bylaw. This information is NOT a substitute for legal advice and municipalities are encouraged to consult with their legal advisors.

### Part 1: Municipal Public Participation Policies

As the level of government closest to Albertans, municipalities work with residents, business, and other stakeholders to provide the services and infrastructure that is key to developing vibrant, resilient, and sustainable communities. To meet the ever-evolving needs of their residents and business communities, municipalities must work in partnership with these key stakeholders and ensure their voice is reflected in decision making.

Public participation and engagement is key to informing decisions made by municipalities and as of October 2017, municipalities are required to develop a Public Participation Policy.

Public Participation Policies, as outlined in Section 216.1 of the *Municipal Government Act*, must be publicly available and must identify how municipalities will approach public participation and engagement. The policy must also identify the types or categories of approaches the municipality will use to engage municipal stakeholders, and the types or categories of circumstances in which the municipality will engage municipal stakeholders.

Though the legislative requirements are relatively broad, they have been developed with the recognition that Alberta's municipalities are diverse and have differing needs. As a result, municipalities have the flexibility to develop a public participation policy that best meets the needs of their residents and stakeholders. The attached Public Participation Policy Template has been developed to assist municipalities in this process but municipalities are encouraged to work with their residents and stakeholders to understand how they want to be engaged and involved in municipal decision making.

### **Public Participation Policy – Key Dates**

- Section 216.1 of the Municipal Government Act came into force on October 26, 2017.
- Municipalities must establish a Public Participation Policy by July 23, 2018 (270 days [9 months] from the date it came into force).

### Part 2: Public Participation Policy Template

The following is a sample template Public Participation Policy. It is drafted in accordance with the *Municipal Government Act* and is intended to assist municipalities in drafting their public participation policies. It should be carefully reviewed and tailored to the specific needs of each municipality. Each municipality should use their respective policy review processes to ensure consistency and accuracy.

# COUNCIL POLICY REGARDING PUBLIC PARTICIPATION

### I. PURPOSE AND APPLICATION

In accordance with Section 216.1 of the *Municipal Government Act*, this Public Participation Policy has been developed to recognize the value of public participation and create opportunities for meaningful public participation in decisions that directly impact the public.

This Public Participation Policy is in addition to and does not modify or replace the statutory public hearing requirements in the *Municipal Government Act*.

### II. GENERAL POLICY PRINCIPLES

Council recognizes that good governance includes engaging Municipal Stakeholders in Public Participation by:

- 1) Creating opportunities for Municipal Stakeholders who are affected by a decision to influence the decision;
- 2) Promoting sustainable decisions by recognizing various Municipal Stakeholder interests;
- 3) Providing Municipal Stakeholders with the appropriate information and tools to engage in meaningful participation; and
- 4) Recognizing that although councillors are elected to consider and promote the welfare and interest of the Municipality as a whole and are generally required to vote on matters brought before Council, facilitating Public Participation for matters beyond those where public input is statutorily required can enrich the decision making process.

#### III. DEFINITIONS

- 1) "[insert appropriate title]" means the chief administrative officer of the Municipality or their delegate.
- 2) "Municipal Stakeholders" means the residents of the Municipality, as well as other individuals, organizations or persons that may have an interest in, or are affected by, a decision made by the Municipality.
- 3) "Municipality" means the [insert municipality name].
- 4) "Public Participation" includes a variety of non-statutory opportunities where Municipal Stakeholders receive information and/or provide input to the Municipality.
- 5) "Public Participation Plan" means a plan which identifies which Public Participation Tools to be used to obtain public input in a particular circumstance.
- 6) "Public Participation Tools" means the tools that may be used, alone or in combination, to create Public Participation opportunities including, but not limited to:
  - (a) in-person participation which may include at-the-counter interactions, door-knocking, interviews, meetings, round-tables, town halls, open houses and workshops;
  - (b) digital participation which may include online workbooks, chat groups, webinars, message boards/discussion forums, and online polls or surveys;
  - (c) written participation which may include written submissions, email, and mailin surveys, polls and workbooks; and

## Part 3: Public Notification and Municipalities

As part of the changes to the *Municipal Government Act* amended through the *Municipal Government Amendment Act* in 2015, municipalities have been provided with enabling powers that broaden the suite of tools available to advertise and provide notice to the public about proposed bylaws, public hearings, resolutions and meetings, among other things. Specifically, these methods can now include electronic advertising such as advertising on a municipal website or the use of social media platforms (e.g. Facebook, Twitter, etc.).

Previously, a municipality was required to provide notice through newspaper advertising, mail or delivery to every residence in the area to which the bylaw or other matter related. The new legislative changes provide additional flexibility to allow municipalities to develop notification tools that will best meet the needs of their communities.

If the municipality wishes to use alternate advertising methods, such as a municipal website or social media, an authorizing bylaw must be passed. This bylaw must have the confidence of council that the method provided for in the bylaw is likely to bring the matter to the attention of substantially all residents in the relevant area, and a public hearing must be held prior to second reading of the bylaw. As well, the notice of the bylaw must be advertised in a manner consistent with the notification methods outlined in the *Municipal Government Act*. Lastly, the bylaw must be made available for public inspection.

The following sample Public Notification Bylaw Template has been designed to provide municipalities with a guide to how they develop their own public notification bylaw.

## Public Notification – Key Dates

 The Public Notification Bylaw and Public Notification Methods portions of the Municipal Government Act came into force October 26, 2017.

Title: Regional Service Sharing Agreement with Town of High Level

#### **BACKGROUND / PROPOSAL:**

Mackenzie County and the Town of High Level entered into the Regional Service Sharing Agreement (RSSA) on August 26, 2009. The agreement is set to expire December 31, 2020. The agreement provides for periodic reviews which occur every five (5) years; the last one was started in 2013.

In order to review the agreement a notification letter must be sent to Town of High Level as stated in Schedule M (of the RSSA) which must be sent no later than June 30, 2018. The letter must entail all areas of the agreement that will be reviewed.

Administration feels that the entire agreement must be thoroughly reviewed in order to meet the requirements set forth in the Municipal Government Act to enter into an Intermunicipal Collaborative Framework with adjacent municipalities.

#### **OPTIONS & BENEFITS:**

Council and administration can address concerns within the agreement and make amendments, additions and deletions.

Meeting: Regular Council Meeting

Meeting Date: June 27, 2018

Presented By: Doug Munn, Director of Community Services

Title: Mackenzie County Wellness Centre Society – Letter of

Support

## **BACKGROUND / PROPOSAL:**

Council received a presentation by the Mackenzie County Wellness Centre Society on May 8, 2018 regarding a proposal for a wellness centre in La Crete. Subsequently funding options and a project outline were presented to Council on May 23, 2018.

COMMUNITY 11. a) Mackenzie County Wellness Centre – Funding SERVICES: Options and Project Outline Report

MOTION 18-05-365 MOVED by Deputy Reeve Wardley

That Council support the Wellness Centre Project in principle and that administration be authorized to obtain architectural drawings and cost estimates for the project and bring back to Council for a funding commitment.

CARRIED

MOTION 18-05-366 Requires 2/3 MOVED by Councillor Driedger

That the budget be amended to include \$25,000 for the development of architectural drawings and cost estimates with fifty (50%) percent of the funding coming from the General Capital Reserve and the remaining fifty (50%) percent from the

Mackenzie County Wellness Centre Society.

CARRIED

Based on Council's motion Administration engaged GEC Architecture to assist with the architectural drawings, cost estimates, and grant application process.

The following cost estimates were received by GEC Architecture for the proposed facility:

 Wellness Centre and Field House \*
 \$36,000,000

 Skating Arena
 \$14,000,000

 TOTAL
 \$50,000,000

This estimate is significantly higher than the Committee's proposal, however as stated previously, costs can be reduced by adjusting design components, using local materials, donations of labour, enhanced fundraising efforts, etc.

Additionally, administration has held meetings with the local First Nations communities to obtain support for the Committee's grant application. To date the Beaver First Nation has indicated their support for the project.

#### **OPTIONS & BENEFITS:**

In order to meet the <u>August 1, 2018 deadline</u> for applications to the Investing in Canada Grant Program a motion of Council is required indicating the County's commitment.

This commitment would be subject to grant funding approval.

#### **COSTS & SOURCE OF FUNDING:**

|  | Cost    |
|--|---------|
| Investing in Canada Grant Program (up to 75% funding)                      | \$37.5M |
| Community Facility Enhancement Program – Large Funding Stream (up to \$1M) |         |
| Fundraising/Donations in Kind  | \$3.5M  |
| County Commitment (funding options – MSI, Reserves, Borrowing)             | \$9M    |

Another innovative solution to generate revenue for the project is to sell naming rights to the main building as well as internal components of the building. This would also provide annual revenue depending on the term of the agreements.

Administration is currently recommending that the County's funding commitment be by means of a borrowing bylaw, however this can be re-evaluated by Council once grant funding is known.

Title: Request to Waive Fire Invoice – Abe & Susie Doerksen

#### **BACKGROUND / PROPOSAL:**

On April 6, 2018 the Fire Department responded to a fire at the resident of Abe and Susie Doerksen. The billing to Mr. and Mrs. Doerksen for this fire was \$4,991.24. [#IVC025646 (Fire Services)]. The billing was reviewed by administration and confirm that it follows the Fee Schedule Bylaw. The bylaw also states that "A residential invoice shall not exceed \$5,000 per incident"

A letter from Mr. and Mrs. Doerksen is attached requesting that the fees for this fire be waived.

#### **OPTIONS & BENEFITS:**

- 1. That the fees for this fire be waived.
- 2. That council deny the request to waive these fees.
- 3. That Council forgive a portion of the fees.

Although we all sympathize with situations where individuals are faced with hardship, however administration has difficulty recommending that fees be forgiven. Our concern is that we would receive numerous requests similar to this and it becomes a very difficult task to determine when it is appropriate to forgive fees. These fees are normally covered by insurance.

To the Mackenzie 23 counselors

I here by ask you to waive the fee for my house fire on April  $6^{\text{th}}$ , 2018.

We would like you to consider this request as I had no insurance and am on a limited budget as We are seniors on old age pension and can not afford to pay the bill.

Thank you for considering my request.

Title: Fort Vermilion Parks Storage Shed Capital Project

#### **BACKGROUND / PROPOSAL:**

The 2018 Capital Budget includes \$27,500 for the construction of a parks pole shed for the Fort Vermilion Shop. This project is below the threshold that requires administration to bring this RFQ to Council, however, administration has had a request that Council review the required quotes on this project. One of the issues regarding this project is that there are contractors that would like to bid on this project that do not have COR/SECOR and since the election this past fall this policy has not been reviewed by Council. Current policy is that all contractors must have COR/SECOR to do projects for the County.

Administration expects to get the prices for this project by June 26, 2018 and they may be presented to Council at the June 27 meeting.

The real issue is that currently the policy does not allow for the hiring of a contractor for a small project if they are acting as prime contractor. (Purchasing Policy is attached. See Section 11f) It is possible for the County to act as prime contractor and hire a contractor without COR/SECOR according to the COR guidelines so in order for administration to be able to offer this type of project to a contractor without Council approval the policy would need to be changed. Council may want to request that administration bring back a policy review to a future meeting.

#### **OPTIONS & BENEFITS:**

Park Shed Capital Project

That Council offer the project to the lowest bidder (Contractor will not require COR/SECOR)

Purchase Policy Review

That Council direct administration to bring back the Purchase Policy with recommendations regarding COR/SECOR requirements.

|       | Process                                      |            |        |

| Legislation Reference | Municipal Government Act, Section 209 and 248 (1) and |
|-----------------------|---|
|                       | Part 5  |

## **Purpose**

- To provide Council and municipal employees with a clear understanding of purchasing authority, what that purchasing authority is, and the process in which the municipality is committed to an expenditure, and approval for payment of such an expenditure.
- To establish a policy for the tendering for the supply of goods and services and the subsequent opening and award of contracts.
- Transparency of purchasing policy for all.

## Policy Statement, Definitions and General Guidelines

#### 1. Policy Statement

Policy will provide guidelines for the purchase of goods and services and for the tendering process.

#### 2. Definitions

#### Bidder:

 For the purpose of this policy, "bidder" means a person, groups of persons, corporation or agency that submits a tender for the supply of goods and/or services to the municipality.

#### COR:

The Certificate of Recognition (COR) in safety is issued to employers who
develop and implement health and safety programs that meet established
standards. COR is an essential component of WCB's Partners in Injury (PIR)
program. Certificates for the Alberta construction industry are issued by the
Alberta Construction Safety Association and are co-signed by Alberta Human
Resources and Employment.

#### Council:

For the purpose of this policy, "Council" means Council as whole.

#### **Designated Officer:**

• For the purpose of this policy, "Designated Officer" means an individual or individuals as described in the MGA.

## **Local Supplier:**

 For the purpose of this policy, "local supplier" means a business located within the Mackenzie County including Towns of High Level and Rainbow Lake.

#### **Recurring expenditure:**

• For the purpose of this policy, "Recurring" expenditures shall include items such as utilities, telephone, lease payments, contract payments, payroll or items as identified by the Chief Administrative Officer (examples of non-recurring expenditure: traveling, training & education).

#### SECOR:

Small employer COR. Specifically designated for organizations with 10 employees or less.

#### Security:

- For the purpose of this policy, "security" means a surety or collateral that is secured by the issuers that in the event of a default, the security becomes forfeited to the County which could include one or more of the following:
  - A Certified Cheque
  - Performance and/or Labour Bond
  - Letter of Guarantee

#### Tender:

• For the purpose of this policy, "tender" means an invitation to tender, bid, quotations and requests for proposals.

## 3. Responsibilities

#### Chief Administrative Officer (CAO) and/or Designated Officer will:

- a) Provide requisition forms and procedures to support the implementation of this policy.
- b) Reserve the right to remove or amend the purchasing authority for any staff position of the municipality.

# Chief Administrative Officer (CAO) and/or Designated Officer and the Reeve and/or Deputy Reeve will:

c) Be the signatories required on all contract and agreement documents for purchases approved by Council.

#### **Director of Finance will:**

- d) Provide procedures for the processing of invoices and statements.
- e) Provide procedures for the recording of purchases into inventory.
- f) Provide procedures for the recording of capital assets additions.
- g) Provide the capital budget projects codes annually and as required.
- h) Provide capital and operating income statements at no less than monthly frequency and reasonably upon request to the department heads for their review to supplement spending monitoring.

### **CAO**, Directors and Managers will:

- i) Ensure that all tendering and purchasing complies with this policy.
- j) Ensure the proper coding of their departmental invoices to operating and capital codes.
- k) Review the monthly capital and operating income statements and provide comments for the monthly variance report prepared for Council by the Finance Department.

#### 4. Purchasing from Local Suppliers

Council recognizes that it is in the best interest of the region to encourage local supply of required goods and services and is therefore committed to purchasing, where permitted, from the local suppliers where costs and quality are competitive and comparable, considering travel time, specifications and investment in local communities.

#### **Purchasing Authority**

5. List of positions authorized to commit expenditures on behalf of the municipality with the maximum amounts those positions are authorized to commit:

| a) | Chief Administrative Officer                 | As approved by Budget |
|----|--|-----------------------|
|    | Deputy Chief Administrative Officer          | \$10,000              |
|    | Director of Finance                          | \$10,000              |
|    | Director of Community Services               | \$10,000              |
|    | Director of Operations                       | \$10,000              |
|    | Director of Legislative and Support Services | \$10,000              |
|    | Director of Utilities                        | \$10,000              |
|    | Zama Site Manager                            | \$10,000              |
|    | Agricultural Field Man                       | \$10,000              |
|    | Fleet Manager                                | \$5,000               |

#### b) Delegated Expenditure Authority:

Other municipal employees may make purchases under a written authorization of their respective directors, providing these expenditures have been approved in the current budget and they are not exceeding the maximum allowable commitment amounts for the respective department head positions. All written authorizations are to be approved (prior) by the CAO or by the Designated Officer. The Finance Department will receive the original approved written authorizations, and will maintain an up to date list of delegated expenditure authorities.

## 6. Spending Authority in a Disaster Situation

a) In a disaster situation, defined by the Chief Administrative Officer or the Director of Disaster Services, authority is granted to spend up to \$50,000 without the need to tender on the sole authority of the Chief Administrative Officer or the Director of Disaster Services. During the disaster, spending in excess of \$50,000 is to be approved by Reeve or Deputy Reeve, or in absence of both, any Councillor, and the Chief Administrative Officer or the Director of Disaster Services without the need to tender.

### 7. Regulations

Notwithstanding the above authorizations, the following regulations shall apply:

- a) No project expenditure or total of such expenditures shall exceed the approved budget amount without prior authorization by the CAO to a maximum of 10% over the approved budget. Such expenditures shall be brought to Council for approval and budget amendment.
- b) Where a required purchase exceeds the authority noted above, approval of such purchase shall be obtained from Council prior to the commitment of the purchase.
- c) It shall be the responsibility of each individual not to exceed his/her limit or budget; the individual must identify available funds for the required expenditure.
- d) It shall be the responsibility of each department head to assure that an invoice is coded to the correct general ledger code. At no time is an expenditure to be coded to another department/function to which it does not belong.
- e) Where expenditures are recurring the CAO shall review and approve such expenditures for payment. Should a department head request that recurring expenditures are required and approved by him/her prior to payment, that

department head shall advise the CAO in writing of such requests identifying what recurring expenditures he/she wishes to review.

#### 8. Tendering Process and Proposal Call Process

a) Tenders shall be requested from not less than the number of sources listed below, all tender documents to be retained for a period of not less than two years and originals to be submitted to the Finance Department. In addition, the following criteria shall be used for determining if Council decision is required in awarding a tender:

| Purchase Scale*  | Minimum Approval Level on<br>Invoice for Budgeted<br>Expenditures                                    | Tender Requirement   | Council<br>Approval<br>Requirement                           |

<sup>\*</sup>Private equipment may be used as per the Hiring Private Equipment Policy (PW018)

- b) Where tenders are received that do not comply with Section 8(a), or where three (3) tenders cannot be obtained, the tenders received will be accepted provided that:
  - i. Tenders or quotes have been requested from local suppliers of the goods or services required for goods and materials under \$74,999 and for construction projects under \$199,999,
  - ii. Tenders received which are believed to reflect a fair market price based on the conditions of the request for quotes, and

<sup>\*\*</sup>All tenders procured through public advertising must be opened at a duly called Council meeting.

- iii. The successful bidder is capable of providing the goods or services as per the conditions of the request for tender or quote.
- c) Where the nature of the services required does not provide for public the competition necessary for the tendering process, Council may by resolution, or the CAO in writing, provide for special tendering and award processes. Examples of these are invitational tenders, legal, architectural and engineering services, accommodations.
- d) No tenders are required when group-purchasing programs are utilized (AAMD&C and AUMA group purchases), but periodic price check must be conducted.
- e) Standing quotations may be obtained and used to satisfy the requirements in Section 8(a) for the time period the vendor agrees to honour the quotation.

### 9. Request for Tender Process (excludes quotes)

- a) Sealed tenders shall be processed in the following manner:
  - i. Sealed tenders to be received marked in the specified manner prior to the designated tender closing. Each tender must be time and date stamped upon receipt and must be kept confidential in a secure place.
  - ii. The sealed tender will be considered invalid if opened prior to the public opening, or if the contents are disclosed to any municipal staff member prior to the public opening.
  - iii. All tenders procured through public advertising must be opened at a duly called Council meeting, and be recorded using a Tender Document Form.
  - iv. Multi-year projects are required to go to tender regardless of the purchase scale.
  - v. Two envelopes will be included in the tender package. The first envelope will contain the required documents in an unsealed envelope for the tender such as a valid WCB, COR/SECOR, and insurance. The second envelope will contain the signed and sealed bid for the tender. Should the first envelope not contain all the required documentation requested within the tender package, the second envelope containing the bid amount will not be considered.
  - vi. A summary of the tender opening shall be included in the council meeting minutes.
- b) Withdrawal of a sealed or written tender will only be accepted prior to deadline for receipt of tenders. The request to withdraw the tender must be received in writing.

#### 10. Information to Bidder

- a) Each request for a sealed tender shall provide a clearly defined description of the goods or services required by the municipality, and shall include a statement that the terms of this policy shall apply to each tender.
- b) If additional information is developed during the request for sealed or written tenders, due to meetings, questions raised, or changes in specifications, this information shall be forwarded in writing to all bidders.
- c) Where telephone quotations or written quotes are requested, staff shall ensure that the same information and deadline is given to each person quoting.
- d) No information regarding tenders or bidders will be released until a tender has been closed. Details of a specific tender are not to be disclosed in accordance with the Freedom or Information and Protection of Privacy Act. The name of a bidder, the date of a tender, the unit or lump sum price may be disclosed.

#### 11. Security, Bonding and Other Requirements

- a) Prior to tender, bidder is required to have:
  - A current Mackenzie County business license and a copy is to be included in the tender submission documents.
  - COR/SECOR (subject to Subsection f))
  - WCB
  - Insurance
- b) Prior to execution of the contract, all security, insurance, naming the Municipality as an additional insured, and Workers Compensation Board requirements as required at the closing time of the tender, shall be in place.
- c) A bid deposit will be forfeited to the municipality if the successful bidder fails to accept the award of tender. Execution of the contract must be complete within 15 days after awarding of the tender.
- d) Equitable security is required at time of tender. The municipality shall retain the Security until the terms of the contract are complete. The Security will be forfeited to the municipality if the successful bidder fails to comply with the terms and conditions of the contract.

Security must be obtained for all projects per the following threshold:

- Road Infrastructure Projects \$100,000 and up
- Water/Sewer Infrastructure (underground Construction) \$75,000 and up
- Buildings \$100,000 and up

- e) All security and bonding documents shall be held in a safe at the Fort Vermilion Corporate Office.
- f) A contractor shall be required to have a valid COR/SECOR certification for all municipal works whereby the contractor is considered "the prime contractor" as per the Occupational Health and Safety Act.

For the municipal works whereby a contractor is not considered "the prime contractor" as per the Occupational Health and Safety Act, preference may be given to the contractors that hold COR/SECOR and consideration may be given to contractors that are not certified. When engaging a non-certified contractor, the County will follow the applicable safety orientation procedures as required under the Occupational Health and Safety Act for the respective projects/works and/or internal safety policies and procedures.

The following guidelines shall apply:

## **COR/SECOR required:**

- When the County can transfer prime responsibility for a project to a Contractor as defined in OH&S Act;
- When the project is considered high hazard (i.e. blasting) and no internal expertise exists (no task specific procedure/safe work practice to guide and/or a hazards assessment cannot be adequately achieved due to lack of internal expertize relative to the task)

## COR/SECOR may not be required:

- Consulting services;
- Services received from contractors/suppliers on their premises;
- Equipment paid hourly from the County hired equipment list (companies with COR/SECOR receive 80% per for road builders rate, non-certified contractors received 70% road builders rate, see PW018 Hiring of Private Equipment Policy);
- Certified trades services.

# The COR/SECOR exemption may be granted to a contractor under the following conditions:

- The County is the sole employer of the contractor for the duration of the contract's term.
- There are no employees working for the holder of the contract with the County (although an occasional substitute is permitted but must be granted by the County on a case by case basis).

- The individual's services under a contract are limited to labour services, and no or limited specialized equipment provided under the contract.
  - Municipal Campground Caretakers
  - Waste Transfer Station Operator

All current contracts (prior to December 21, 2015) are grandfathered until their expiry.

g) Administration will maintain an approved list of contractors.

### 12. Analysis of Tenders

- a) The following factors, presented without any priority, may be used to evaluate all bids received and may include, but are not limited to the following:
  - i. **Ability** of the bidder to meet the requirements of the tender regarding quality, specifications, delivery and service.
  - ii. <u>Bulk Purchasing</u>, through larger quantities, cumulative quantities or bulk packaging.
  - iii. <u>Life Cycle Costs</u> of goods or services.
  - iv. <u>Local Supplier</u> is a business located within Mackenzie County including the Towns of High Level and Rainbow Lake.
  - v. **Price**, based on the same FOB location, same currency including goods and services tax, and with discounts applied.
  - vi. **<u>Record</u>** of a bidder's previous performance on quality, experience, service, delivery and safety.
  - vii. **Standardization** of goods to reduce inventory and future costs.
- b) The municipality reserves the right to reject any and all tenders for any cause, to award tenders based on conditions other then price, or to reject all tenders without cause.
- c) The municipality shall not accept tenders, quotations or the supply of services from contractors or suppliers of services who have initiated litigation against the municipality, for a period of one year after the litigation is resolved.

## 13. Contingency Allowances

a) Contingency allowances may only be spent to meet the costs of unexpected site conditions, which prevent the contractor from meeting the project specifications as approved by Council. Project contingency will be established at or before time of tender awarding.

b) Contingency allowances and unspent project funds may only be applied to changes in project specifications and approved by CAO or Council.

Title: 2017 Audited Financial Statement and Financial Information

Return

## BACKGROUND / PROPOSAL:

Under the Municipal Government Act, every municipality must prepare the audited financial statements and make it available to the public by May 1<sup>st</sup> annually. Due to extenuating circumstances, an extension was requested and subsequently approved by the Minister of Municipal Affairs.

As a result the County's annual approved 2017 audited financial statements and 2017 Financial Information Return must be submitted to Municipal Affairs and posted online by July 3, 2018.

Copies of the draft 2017 Audited Financial Statement and 2017 Financial Information Return will be presented at the meeting.

Request for Reimbursement for Repair Work at the La Crete

Recreation Society (La Crete Northern Lights Recreation

Centre)

#### **BACKGROUND / PROPOSAL:**

Administration received a request from the La Crete Recreation Society, requesting that the County reimburse them for expenses incurred due to complying with the requirements from Occupational Health and Safety. Email and Invoices attached for review.

These items were necessary to the new regulations for artificial ice plant operation; however, they were not included in the 2018 Budget.

This request was presented at the June 18, 2018 Finance Committee meeting where the following motion was made:

**MOTION FC-18-06-074 MOVED** by Councillor Knelsen

That the Finance Committee recommends to Council that the funding request by the La Crete Recreation Society in the amount of \$5,868.90 be approved with funding coming from the Recreation Reserve – La Crete for the required upgrades issued by Occupational Health and Safety and that administration is to investigate that the Fort Vermilion Recreation Board has also completed the necessary changes as per Occupational Health and Safety.

#### Hi Doug,

I had OHS come to the arena last winter and inspect the facility and make us comply with OHS codes. This all stems from the accident that happened in Fernie BC where three people died from an ammonia explosion. With direction from the Recreation board I hire Chads Contracting to put a safety manual together and we had to replace the ammonia detector in the Olympia room along with buying some safety equipment. We had to get our face mask fit tested at fire department. We are up to date now and have satisfied HOS. I have attached all the invoices and would like to ask the County to reimburse us for this as we don't have this in the budget.

Title: Calcium Chloride – Additional Areas

#### **BACKGROUND / PROPOSAL:**

Each year the County applies dust control to various locations in order to promote safety for motorists within the County. Areas of concern are school zones and identified busy intersections. In addition, under Policy PW009 Dust Control, Regular Rural Residents and Seniors may apply for 200 meters of dust control for a cost savings.

Council annually approves a dust control map for the areas of concern identified by the municipality. It has been brought to the attention of Administration that 1400 meters in the High Level Rural area be considered for annual dust control product.

Please see additional areas to be considered for calcium chloride as identified on the attached map.

#### Guidelines for the Application of Used Oil on Road Surfaces

- 1. The application if used or waste refined oil
  - In the manufacture of pavement
  - On any land for the purpose of road construction, repair or dust suppression is authorized subject to the requirements specified in the preceding document.
- No person shall mix used or waste refined oil with any material in the manufacture of pavement, or dispose of any used or waste refined oil on any land for the purposes of road construction, repair, or dust suppression, unless the used or waste refined oil meets the specifications identified in table below.
- 3. A representative sample of the used oil should be collected and tested for the parameters identified in the table below.

#### Used of Waste Oil Specifications for Dust Suppression (Constituent/Property Allowable Level)

Flash point (closed cup) 61°C minimum
Total arsenic 5.0 mg/L maximum
Total cadmium 3.0 mg/L maximum
Total halogens (as CI) 1000.0 mg/L maximum
Total chromium 6.5 mg/L maximum
Total lead 50.0 mg/L maximum
Total polychlorinated biphenyls 0.5 mg/l maximum
Total zinc 1000.0 mg/L maximum

- 4. No person shall apply used or waste refined oil on any land for the purposes of road construction, repair, or dust suppression unless:
  - a) The used or waste refined oil meets the specifications of the preceding document
  - The location of proposed application is more than 25 meters from surface water or a domestic water supply source
  - The application rate will not result in a visible runoff of oil beyond the travelled portion of the road or other land.
  - d) The owner of the land or the person responsible for the road to which the oil is to be applied has given permission
  - e) Application is limited to two times per calendar year.

Developed in April 1998/Updated in January 2001

#### Used Oil for Road Surfaces

Used oil can be recycled or used to control dust, but only in accordance with Alberta Environment's Guidelines for the Application of Used Oil to Road Surfaces

#### These guidelines allow used oil to be applied for dust control under the following conditions:

- The applicator must have permission from the land owner or municipality responsible for the road.
- The oil must meet certain specifications for maximum contents of things like arsenic, cadmium, lead, etc. (These components are listed in the guidelines, but fortunately most waste oil from typical diesel or gasoline engines contains less than these limits, so farmers are not obligated to send their oil in for testing).
- The application of the oil must be more than 25 m from surface water (including sloughs) or a domestic water supply.
- The application rate cannot result in visible runoff of oil beyond the travelled portion of the road.
- Application of oil is limited to two times per year.

Marnie Armstrong Director of Municipal Engagement Government Affairs 2701 Riverside Drive Suite N0810 8<sup>th</sup> Floor Ottawa, ON. K1A 0B1

Dear Ms. Armstrong:

## RE: LA CRETE POST OFFICE RELOCATION

Thank you for meeting with administration and council recently in Halifax to continue the dialogue regarding the proposed post office in La Crete. With the information we gained during our discussion with you, and the feedback we continue to receive locally from our residents, there are ongoing concerns regarding the proposed location.

The community has been lobbying for a new and/or improved post office in La Crete for 15+ years. It has been a long and frustrating process to get to the point where Canada Post has committed to relocating to a new facility. With us realizing just how difficult it is to improve postal service in a growing community, we want to ensure that we all get it right this time around, and that not only the facility, but also the location, meets the community's needs.

The proposed location was discussed at our council meeting on June 12th, and several concerns were shared:

- The public consultation process was inadequate; a public consultation process should have allowed for a variety of alternative proposals, and that each of the alternative proposals be fairly evaluated and considered. The public consultation process should have occurred earlier in the siting process, allowing more time for iterative discussions about location and other concerns with the community.
- 2. The proposed site does not have adequate parking, and does not solve the parking issue. It merely moves the parking issue from the existing site

Page 2 June 13, 2018

- to the proposed site. In fact, the proposed site is more poorly suited to accommodate oversized traffic (trucks with trailers) than the previous site.
- 3. The proposed site will increase traffic and turning movements at the intersection of 100 St and 94 Ave. This will likely require intersection and/or traffic light improvements at the intersection. The County is not willing to eat these costs, and have not been engaged in any conversations with Canada Post or the property owner to address this concern.

Thank you for looking into these concerns, and we trust you will continue to work with us to resolve the outstanding concerns. There is considerable local frustration by the lack of transparency in Canada Post's process, and the mindset is that a more transparent process would have relieved the rest of the concerns as well.

Thank you again, and we look forward to a continued dialogue with you.

Thank you,

Byron Peters

**Subject:** Think Local Market Dissolution

Over the last few years Think Local Market has been investing considerable time, energy, and funds into the development of an e-commerce platform on behalf of the local producers in your region. Unfortunately, we have come to realize, and accept, that our vision for this e-commerce platform is not within our reach.

As such, the Think Local Market initiative will shut-down its website on July 1st, 2018. As of this date the funds remaining in our account will be donated to the Municipal Project Fund, which is housed under the Peace Region Economic Development Alliance (PREDA); who has been providing in-kind administrative services to Think Local Market since 2013. We anticipate the amount of the donation will be \$4,391.24.

The support and encouragement we have received from you, and your Council was very much appreciated, and we are saddened that our vision for <a href="www.ThinkLocalMarket.com">www.ThinkLocalMarket.com</a> cannot be realized. Please know that a separate email has been sent to your CAO's to inform them of this decision, as well as an email to any vendors currently set-up and approved on <a href="www.thinklocalmarket.com">www.thinklocalmarket.com</a>.

If you have any questions, please do not hesitate to contact me directly at 780-836-3348 ext. 229.

Sincerely,

Honourable Brian Mason Minister of Transportation and Infrastructure Room 320 Legislature Building 10800 – 97 Avenue Edmonton, Alberta T5K 2B6

Dear Minister Mason:

RE: 'Bill 215' Tow Truck Safety Act

County Council, at the meeting held on May 28, 2018 passed a motion to write a letter of support to amend 'Bill 215' Tow Truck Safety Act to include Highway Maintenance Workers and to reduce the speed in the areas where highway maintenance is taking place.

The County of Grande Prairie No. 1 supports the addition of the white & blue lights for field staff working in traffic areas and requests a review to reduce the speed in the areas when the white & blue lights are active. Safe work zones for all Alberta road maintenance workers should be at the front of our thinking.

The County of Grande Prairie appreciates your consideration to the amendment of the Tow Truck Safety Act.

Yours truly,

Leanne Beaupre

**Subject:** Local Authorities Election Act: Review and Consultation

**Date:** June 20, 2018 1:54:04 PM

As you may be aware, it is the intent of the Government of Alberta to review the *Local Authorities Election Act* (*LAEA*) following each municipal general election, with the most recent elections held in October 2017.

The Honourable Shaye Anderson, Minister of Municipal Affairs, is pleased to announce the beginning of consultations with Albertans and key stakeholders regarding the *LAEA*.

Whether you have been instrumental in planning a local election, contributed to a candidate, voted in local elections, advertised on behalf of a candidate, or ran for your local municipality, the *LAEA* has affected you. All Albertans are being asked for their feedback on a variety of topics regarding local elections, and we want to hear from you as we consider making changes to this important piece of legislation.

I am pleased to provide you with the links to the stakeholder discussion guide and public survey. If you are receiving this as a president or executive director of a municipal association in Alberta, please share this announcement with your members. We also encourage associations and municipalities to share the links provided on your website to encourage public input.

# **Local Authorities Election Act**

What is the Local Authorities Election Act?

The Local Authorities Election Act (LAEA) establishes the framework for local authority (cities, towns, villages, specialized municipalities, school boards, for example) elections in the province. Métis Settlements and Irrigation Districts also rely on the LAEA to conduct their elections.

# Why is Alberta reviewing the Local Authorities Election Act?

In 2009, changes to improve accountability and transparency were added to the Act through a private member's bill. This included sections on municipal election finance and contribution disclosure (Part 5.1 - Municipal Election Finance and Contribution Disclosure). Further changes to the Act were made in 2012 that increased the term of council from three to four years, added minimum requirements for voter identification, and required candidates to register with the municipality before accepting campaign contributions.

Since the 2013 elections, citizens, candidates, municipalities and municipal associations have continued to ask for a number of changes to improve fairness in campaign practices and to clarify and improve the consistency of the legislation. In 2016, Alberta Municipal Affairs considered a number of potential changes including campaign finance, accessibility and additional administrative changes to strengthen readability. Due to the proximity of the 2017 election, amendments were not pursued to ensure returning officers and potential candidates had enough time to plan and execute the election.

After the 2017 elections, the ministry continued to receive feedback requesting amendments to the Act. In order to address stakeholder concerns, Alberta Municipal Affairs is conducting a review of the Act before the next general election, which will occur in October 2021.

In addition, there have been recent amendments to the legislation governing provincial elections, the *Election Act* and the *Election Finances and Contributions Disclosure* Act. This provides the opportunity to review the legislation and determine where, if applicable, there is alignment with provincial elections.

# What is included in this discussion guide?

On the following pages you will find:

- a brief discussion and description of emerging topics and how the Act could be amended to address them; and
- a listing of proposed general technical amendments.

Emerging issues were identified through the 2016 limited-scope review, during and immediately following the 2017 municipal general election, and in recent amendments to the *Elections Act and Election Finances and Contributions Disclosure Act*.

This discussion paper will be available for Albertans' feedback until July 31, 2018.

# WHAT DO YOU THINK? SHARE YOUR INPUT.

Please share your views and perspectives on policy items affecting municipal elections by completing this discussion paper. When you have completed your response, please submit your input to the Government of Alberta at:

# **Discussion Topic:**

Campaign Finance

Contribution Disclosure

# 1. Campaign Contributions and Finance Disclosures

# Background:

## 1.1 Campaign Bank Accounts and Disclosure Statements

The Local Authorities Election Act does not require a candidate to open a separate campaign bank account until he/she has collected at least \$5,000 in donations. In addition, the Act does not require candidates who do not receive contributions and spend less than \$10,000 of personal funds to open a bank account at a financial institution separate from their personal funds.

Concerns have been raised about candidates who are not required to open a bank account or file disclosure statements at the conclusion of the campaign. In the absence of a filed report, a municipality, specifically the returning officer and electors, may be guessing whether the candidate is compliant with the disclosure requirements or if they are self-funded.

## 1.2 Corporate and Union Donations

The *Local Authorities Election Act* allows corporations, trade unions, employee organizations, and any other persons, resident in Alberta, to contribute to municipal election campaigns.

Amendments to the *Election Act* in Bill 1: *An Act to Renew Democracy in Alberta* (June 2015) prohibited contributions from corporations, trade unions, and employee organizations to candidates in provincial elections.

Provinces such as British Columbia and Ontario do not permit corporations and unions to contribute to campaigns. Saskatchewan permits municipal discretion through local bylaws, and Manitoba permits individuals only to make campaign contributions.

Clarification may be required to ensure that the donation portion of ticket sales for fundraising events are also subject to contribution restrictions and limits. The Alberta *Election Finances and Contributions Disclosure Act* defines a fundraising function and establishes the dollar value and percentages of the contribution on ticket purchases for fundraising events:

- If the individual charge is \$50 or less, it is not considered a contribution unless the person who pays the charge specifically requests that it be considered a contribution; if this is the case, half of the amount is allowed for expenses and half is considered to be a contribution.
- If the individual charge is more than \$50 but not more than \$100, \$25 is allowed for expenses and the balance is considered to be a contribution.
- If the individual charge is more than \$100, 25% of the amount is allowed for expenses and the balance is considered to be a contribution.
- Alternatively, the contribution value may be calculated simply by calculating the difference between the price of the ticket and the market value of what the ticket entitles the individual to obtain.

#### 1.3 Contribution Limit

The Local Authorities Election Act currently limits the amount an individual can contribute per year to \$5,000

to each candidate. If contributions were made to a candidate in each year, this could equate to \$20,000 per four-year campaign period for any one candidate.

Since the current limit applies on a per-candidate basis, a contributor could annually donate \$5,000 to numerous candidates in the same election, or to candidates running in other municipal elections.

Campaign contributions are vital to election campaigns, as they provide candidates with the means to inform the public of their intentions in running for office. However, limits are often recommended to support a level playing field among candidates and to reduce the potential influence contributors may have on a candidate. Some stakeholders have expressed support for aligning municipal campaign limits with the limits established for provincial elections, while others have expressed concern that establishing any specific dollar amount is unlikely to work for all sizes of municipalities.

Recent amendments made in 2016 to the *Election Act*, which governs provincial elections, included lowering contribution limits to \$4,000.

# 2. Campaign Expenses

# Background:

## 2.1 Candidate Registration

Candidate registration with the municipality is required to ensure campaign finance rules apply consistently, and to ensure accountability from individuals who collect contributions and incur expenses for the purposes of an election campaign.

Candidates who are not self-funded must register prior to accepting campaign contributions. There is currently no registration requirement for individuals who intend to finance their campaign entirely from their own funds. With the proposed change to require financial disclosures for these campaigns, registration of all candidates would ensure broad accountability for submitting financial disclosures after each election.

## 2.2. Campaign Spending Limits

The Local Authorities Election Act does not impose spending limits in local elections. Spending limits are sometimes used to ensure that the cost of running a campaign does not deter candidates from filing nomination papers, and to ensure that all candidates are on a level playing field.

# 3. Third Party Advertising

# Background:

Advertising by parties not directly involved in the election, or "third-party advertising" is not addressed in the *Local Authorities Election Act*. The *Election Finances and Contributions Disclosure Act*, which applies to provincial elections, has rules and procedures regarding third-party advertisers. It also defines third-party advertisers, loans as they relate to third-party advertising, anonymous and unauthorized contributions, allowable expenses, and the identification of third parties on advertising.

In 2016, the government reviewed the limits and requirements for third-party advertising in the *Election Act*. The most recent amendments to the *Election Finances and Contributions Disclosure* further clarify limits on advertising spending, restrict third-party activities, and prohibit collusion between third parties and candidates.

Provincial elections in Alberta are subject to third-party advertising rules and three provinces address third-party advertising in municipal elections (British Columbia, Ontario, and Quebec).

# 4. School Board Trustee Elections

# Background:

School boards are enabled to establish campaign finance and disclosure rules by bylaw.

The requirements in the *Local Authorities Election Act* pertaining to election finance and disclosure do not currently apply to school board trustee candidates.

Applying the election finance and disclosure requirements to school board trustee elections would ensure all candidates, whether school trustee candidates or municipal candidates, comply with campaign finance rules. It would establish consistency between requirements for municipal and school board elections and provide greater transparency in school board trustee elections.

The addition of campaign finance and disclosure requirements in school board elections would create additional administrative requirements and associated liabilities for candidates running for trustee of a school board.

# 5. Campaign Finance General Clarifying and Technical Amendments

# Discussion:

| Current Status  | For Consideration   | Rationale  |

| Donating Campaign Surplus  Confusion exists regarding whether all candidates can donate their campaign surplus or only the candidates that have been elected.                               | Clarify that all candidates who do not run in the next general election can donate their campaign surplus to the municipality.  | The intent is to provide former candidates the option of donating their campaign surplus to the municipality instead of a registered charity. The wording of the current provision implies that only elected candidates can do so.   |
| Campaign Surplus  A candidate must turn over surplus funds to the custody of the municipality.  Election Expenses  The legislation is vague about what is permitted as an election expense. | Clarify the process by identifying:  How the funds must be kept in trust (one account versus separate accounts);  The interest rate or how to determine the interest rate; and  When the surplus funds must be released to candidates by the municipality.  Align definition of "campaign expense" with the Alberta Election Finances and Contributions Disclosure Act (which includes the following campaign expenses: the production of advertising or promotional material, the distribution, broadcast, or publication of advertising or promotional material in any media or by any other means during a "campaign period" including by the use of a capital asset, the payment of remuneration and expenses to or on behalf of a person for the person's services as a chief financial officer or in any other capacity, securing a meeting place, or the conduct of election surveys or other surveys or research during a campaign period). | Addresses concerns from elected officials and candidates over access to funds during campaign periods.  Addresses concerns from municipalities over additional administrative requirements.  It is currently unclear whether an allowable election expense includes hiring of staff.  Current legislation can be widely interpreted to include such items as haircuts or clothing.  Many questions are received from candidates, electors, and municipal administrators. |

# 6. Advance Votes

# Background:

Many local authorities in Alberta provide additional opportunities for electors to cast their vote in an election before general Election Day. The *Local Authorities Election Act* allows for a municipal council or school board to pass a resolution allowing an advance vote.

The legislation does not require a municipality or school board to conduct an advance vote. Electors have contacted Municipal Affairs and local jurisdictions, expressing that they feel disenfranchised when additional opportunities to vote are unavailable.

# 7. Residency Requirements

# Background:

## 7.1 Residency Requirement

The Local Authorities Election Act sets out that to be eligible to vote in a municipal election, an elector must be a resident of Alberta for the six consecutive months immediately preceding Election Day and must be a resident of the municipality on election day.

Recent amendments to the Alberta *Elections Act* removed the requirement for Alberta residency six months before Election Day. Amending the residency requirements in the *Local Authority Election Act* to align with these recent amendments would alleviate possible confusion by electors.

# 8. Voter Identification

# Background:

## 8.1 Identification Requirements

The Local Authorities Election Act requires identification that proves both name and current residence. This has posed challenges for many electors whose identification reflects a post office box rather than the street address of their residence, in addition to residents who may not have a permanent address, or identification as required under the act.

A complete list of acceptable identification can be found here:

http://www.elections.ab.ca/wp-content/uploads/Authorized-Identification-Poster.pdf

### 8.2 Vouching

If the municipality or school board has prepared a list of electors (voters list), an individual without identification may be permitted to vote if another person whose name appears on the list of electors vouches for them. However, very few municipalities or school boards prepare a list of electors, so this option is rarely available.

The matter of identification is pressing as it is a source of confusion for both voters and returning officers. Potential amendments may minimize the instances of disenfranchising electors in the event they do not have an acceptable identification as prescribed.

## Discussion:

| Topic                          | Current Status  | For Consideration  |
|--------------------------------|---|--|
| Identification<br>Requirements | Electors are required to provide one piece of identification with name and address. This can either be government issued identification or one piece of approved identification from the Chief Electoral Officer of Alberta under the <i>Election Act</i> . | Create a list of authorized identification that is independent from the list provided by Elections Alberta.  Extend authority of the Minister to expand the list of acceptable identification to meet needs of municipalities. |
| Vouching                       | Vouching can only occur if an elector's name appears on a list of electors. If this is the case, the elector may vouch for another person who does not appear on the list of electors.  | Expand vouching provisions to include the ability of an elector who has shown appropriate identification to vouch for another elector.   |

# 9. Substitute Returning Officers

# Background:

The Local Authorities Election Act authorizes a council or board of trustees to appoint a returning officer. If a returning officer is appointed, but is unable to fulfill their duties, the Mayor, Reeve, or Board Chair may appoint a substitute returning officer.

Some stakeholders argue that this is an inappropriate power for a chief elected official to have during an election and that, given the entire elected authority appointed the initial returning officer, the entire elected authority should appoint a substitute returning officer.

# 10. Nomination Day and Nomination Papers

# Background:

The Local Authorities Election Act sets out that if a nomination paper has not been signed by the required number of eligible electors or if it is not accompanied by a deposit (if required by bylaw) the returning officer must refuse to accept the nomination paper.

Provisions do not allow the returning officer to refuse a nomination paper if it has not been sworn/affirmed by a candidate. The candidate's nomination paper includes a statement of candidate's acceptance, which includes a statement regarding the candidate accepting the office if elected, and confirmation that the candidate has read and understands the sections of the *Local Authorities Election Act* as they relate to eligibility and ineligibility.

Instances have arisen in previous elections of individuals not swearing/affirming nomination papers. In such instances, it is difficult to know if the candidate actually intended to run for office, or if the candidate has read and understands the requirements of the Act relating to eligibility. Some stakeholders have suggested that the inability for the returning officer to refuse a nomination paper leads to confusion of the role and responsibilities of the returning officer as it relates to the enforcement of the legislative requirements of the Local Authorities Election Act.

# 11. Election Campaign Advertising at Voting Stations

# Background:

The Local Authorities Election Act prohibits campaign activities, such as canvassing or soliciting votes where a voting station is located, but not in the surrounding area, such as a parking lot. The Act also prohibits the display and distribution of campaign material inside the building where a voting station is located, or on the outside of a voting station.

The *Election Act* establishes that no person may display election materials (except those required to be posted by the returning officer) on the inside or on the outside of a building used for a polling station, or distribute within a building used for a polling place, or within the boundaries of the land on which the building is located. If election advertising is present, the returning officer may remove it or instruct a deputy to remove it and neither the returning officer or deputy are liable for trespass or damages resulting from the removal.

#### 12. Candidate List

#### Background:

The Local Authorities Election Act does not require municipalities to make public a list of candidates for an election following nomination day. Municipalities are required to send names of candidates to the provincial government once the deadline for withdrawal has passed (24 hours after the close of nominations, 48 hours for summer villages). The province posts the names of municipal candidates who have filed nomination papers online for public information. Municipalities are required to release post-vote information.

## 13. Special Ballots

#### Background:

The Local Authorities Election Act enables municipalities to allow for special ballots based on the unique needs of each municipality. Municipalities must also advise the Minister of the use of special ballots (mail in ballots).

Applications for special ballots must be made available to the public the day after a council decides to use special ballots. Of the 342 municipalities in Alberta, between 15 and 20 municipalities used special ballots during the 2017 municipal election.

A provision exists in the *Local Authorities Election Act* that requires the minister to appoint special ballot advisors to review questionable special ballots. This is inconsistent with the returning officer's responsibility for all other ballots and is impractical.

### 14. Additional Items for Consideration

#### Discussion:

| Current Status   | For Consideration   | Rationale   |
|--|---|---|
| Election Regulations  Regulations currently exist that outline specific processes for Calgary, Edmonton and Red Deer. The modified voting procedure allows for ministerial power and bylaws to adjust certain processes in the Local Authorities Election Act. | Repeal the modified voting procedure regulation, ballot box regulation, City of Edmonton Regulation, City of Calgary Regulation, and City of Red Deer Regulation and incorporate provisions into the Local Authorities Election Act.  | Reduces regulatory burden on municipalities and reduces complications.  Regulated procedures would benefit any large election process and will be of value to other municipalities. |
| Cell Phone Use  Local Authorities Election Act does not address the use of cell phones in voting stations.   | Allow municipalities to create rules regarding the use of cell phones, such as restricting voice calls, photography or social media, while in the voting station.   | Provides flexibility to municipalities to determine their specific needs for regulating the use of cellphones.  |
| Definition of "Candidate" and "Campaign Period"  Local Authorities Election Act does not clearly define when a person officially becomes a candidate. The definition of "campaign period" does not align with the definition of "candidate."                   | Amend the definition of "candidate" to mean an individual who has filed a registration of notice under section 147.21.  Amend the definition of "campaign period" to be January 1 in the year of a general election to December 31 in the year of a general election. In the case of a byelection, beginning when the vacancy occurred to 180 days following the date of the by-election. | Ensures consistency with definitions to eliminate confusion and increase clarity.   |

**Subject:** Cross-country consultations on air passenger rights

To all Mayors and councils:

Re: Cross-country consultations on air passenger rights and the aviation ecosystem

As a mayor and municipal leader, you understand better than most the importance of safe, efficient and economical transportation to your community and to Canada. With the Canadian Transportation Agency (CTA) holding public consultations on a new passenger rights regime, I want to enlist your support to ensure that these hearings contribute to an improved, more competitive air passenger transportation system.

Every day in Canada, some 350,000 air travellers have safe and uneventful flights. Thousands of people in many organizations including airlines, airports, air traffic control, and government agencies responsible for border control, security, customs and immigration contribute to the success of every flight.

But for those air travellers, most of these interactions occur behind the scenes. Which is why it Is not surprising that when something goes awry, responsibility is often assigned to the most visible player—the air carrier. There is little

discussion of the role played by others involved in their flight or the impact of external forces, such as weather or distant ground stops.

Commercial aviation is highly complex anywhere. Canada's operating environment, including climate, geography and population distribution requires an exceedingly high level of coordination and operational sophistication. Adding to the cost and complexity of commercial aviation in this country are federal policies that make it increasingly difficult for our air transport system to remain globally competitive.

Together, these thousands of people, dozens of organizations along with our policy and regulatory environment make up Canada's aviation ecosystem.

Attempts to improve passenger air travel through government regulation must look at the ecosystem as whole.

For example, system-wide capacity issues are caused by labour and other shortages in our partner organizations and government agencies. The Canadian Air Transport Security Authority (CATSA) and the Canada Border Services Agency (CBSA) have stagnant budgets with which to manage growing responsibilities.

Airport infrastructure dictates many aspects of airline operations, as do government regulations. For example, de-icing regulations, essential as they are, can lead to tarmac delays because of capacity issues. Canada's climate and challenging weather conditions, which are in no one's control, can disrupt airline scheduling.

Focusing solely on airlines and developing a punitive system to enforce new regulations, while easy, may well fail to deliver the travel experience Canadian air passengers want and deserve. Consider the experience of the United States, where harsh regulations fining airlines for tarmac delays seem to have backfired.

According to a study by Dartmouth College and the Massachusetts Institute of Technology, the regulations have "significantly increased" the number of passenger delays, with each minute of time saved waiting on the tarmac translating into roughly three minutes of total passenger delay.

This is due primarily to increases in flight cancellations, resulting in passengers needing to rebook and often leading to extensive delays in reaching their final destination. Such an unanticipated outcome in Canada would be particularly challenging for northern, remote and Atlantic communities, which are more vulnerable to weather-related events.

This example points to the need for a balanced and holistic approach that recognizes operational and safety realities and encourages system-wide improvements in capacity and operations, including security, border screening, air traffic control and airport infrastructure.

We have created a video (see below) to explain the complexity of the commercial aviation ecosystem and why every policy that affects aviation must recognize that ecosystem and ensure better coordination, greater synergies and more collective accountability among its members.

We encourage you to share the video with your council colleagues, staff and constituents. We also encourage you to advocate to the CTA and the Minister of Transport for an approach to passenger rights that recognizes the complexity of the aviation system and Canada's unique operating environment.

Our member airlines want to work with you and your communities to make passenger air travel in Canada better for everyone. No one will benefit from a simplistic approach that creates unintended consequences that hurt the people they intended to help.

If you have any questions or concerns, please do not hesitate to contact me directly at <a href="mailto:mbergamini@aviationcouncil.ca">mbergamini@aviationcouncil.ca</a>.

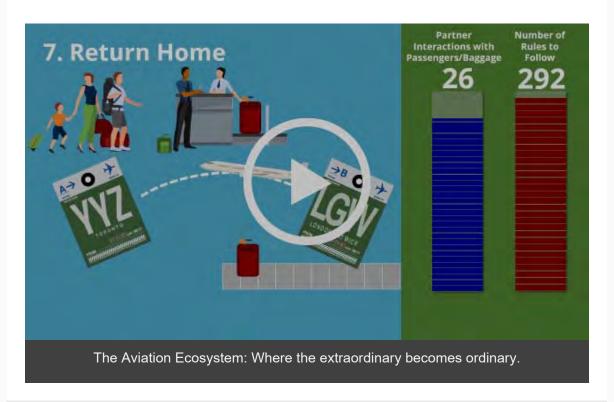

Sincerely,

Massimo Bergamini

President & CEO

Dear Len Racher:

#### RE: Acknowledgment of Application for Disaster Recovery Assistance

Thank you for your application dated May 23, 2018, requesting disaster recovery assistance following the wildfire event experienced by your municipality from May 6 - 7, 2018.

Per the Disaster Recovery Regulation, in order for a Disaster Recovery Program (DRP) to be approved the following criteria must be met:

- damage or loss is widespread, or event has threatened economic viability;
- the event is considered extraordinary; and
- insurance is not reasonably or readily available to cover the damage and loss.

The Alberta Emergency Management Agency (AEMA) will advance your application through the review process. Once a determination is made, you will be notified of the outcome. If a DRP is approved, AEMA will help you with program administration.

If you require further information, please contact your regional AEMA Field Officers or Recovery Team Lead listed below.

## **Bill 8 Consultation Opportunities**

The Government of Alberta is proposing changes to Alberta's emergency management legislative framework

Bill 8, the Emergency Management Amendment Act was introduced in the legislature on April 3, 2018. The Bill proposes changes to the rules and regulations with the intent of helping communities improve their response to disasters. It would also provide the ability to create a new Local Authority Emergency Management Regulation that would give direction on emergency management practices for municipalities. Through this call, the Alberta Emergency Management Agency is requesting to engage with you, their stakeholders, on the proposed changes.

Municipal stakeholders can provide input by completing the Alberta Emergency Management Framework Review Discussion Guide or attending an in-person engagement session.

#### **Discussion Guide**

- Complete as a PDF
- Submit via email to ma.aemabill8input@gov.ab.ca
- Due no later than July 3, 2018

#### **In-Person Sessions**

- It is encouraged that municipal stakeholders planning to attend the engagement sessions have reviewed the discussion guide in advance to maximize the session
- Session location and dates are as follows:
  - o Fort McMurray June 18
  - o Grande Prairie June 20
  - o Lethbridge June 25
  - Calgary June 26
  - o Edmonton June 28
- To register, click here

pm.

DECLARATION OF QUORUM:

All members had quorum present.

AGENDA: 2.1 Adoption of Agenda

MOTION 08-18 MOVED by Reeve Braun (MC)

That the agenda be approved with the Deletion of item 7.1

Enhanced RCMP Discussion.

**CARRIED BY CONSENSUS** 

ADOPTION OF PREVIOUS MINUTES:

3.1 Minutes of the February 7, 2018 Tri-Council Meeting

MOTION 09-18 MOVED by Councillor Forest (HL)

That the minutes of the February 7, 2018 Tri-Council meeting be

adopted as amended.

**CARRIED BY CONSENSUS** 

**BUSINESS ARISING: 4.1** None.

DELEGATIONS: 5.1 CN Rail - Tom Smith, Manager, Alberta Public Affairs

Mr. Tom Smith:

Didn't have a specific presentation for the Council. He submitted 'news release' document for the meeting.

- After 6 quarters of reduction, CN took the necessary steps with reduction. In 2017 estimated a 15% growth.... had a 20%. Affected by the cold, had to cut train length in half...putting more trains on. CEO stepped down, new CEO trying to move things forward.
- In 2018 investing 28 mil in increasing capacity. 29 major infrastructure projects.... improve fluidity in Canada. Expanding yard projects to improve efficiency and fluidity...increased capacity, crews. Brought on 130 new locomotives, exploring 60 new. 350 new boxcars. 350 'lumber siding' cars. Rationed a series of boxcars from QC sent to AB to meet demand in AB. Adding more crew members, recruiting locally (9 posns in HL).

#### Questions:

Local mills have made capital investments in expanding capacities in the region (agriculture and what is potentially coming out of the new mine).

CN...capacity building 2019/2020 look into expanding

- Addressing concerns with hopper cars (not official, yet).
- delivered 624 grain cars (where grain elevator customers are requesting)
- Q. CAO Racher (MC) How do you prioritize? Do you have any plans for servicing re this region?
- A. There is no favouritism...we are progressing.

Councillor Sarapuk (MC): Grain companies are hesitant to invest in infrastructure in this area. The service that is provided by CN has been underwhelming for a significant period of time.

- A. (Mr. Smith has been with CN/position for 3 months). No specific information for the region....our focus is on the backbone/main area, improve those areas, and branch out. We are carrying our 'capacity growth' into 2019. We have some new recruits coming on board.
- Q. Deputy Mayor Langford (HL). Is it possible to get some kind of agreement from CN with regards to supporting the local grain getting moved out?
- A. I will ask CN, senior management.
- Q. Deputy Mayor Langford (HL) How up to date are you with the current level of service? ....over the next few months, we would like a base line to compare with. Is there specific plans for the local rail lines to handle increased capacity?
- Q. Councillor E. Peters (MC) Is there anything we can do to assist you in lobbying for the region?
- A. If you have information, letters/communication that they'd like to invest or 'increase' in the area, could you provide that to me and I can carry it forward to various departments/sales teams. It helps to have numbers to show.

CAO Racher (MC) – if the track can't handle it, it doesn't matter what kind of new equipment is purchased.

Deputy Mayor Langford (HL) – has there been any research or studies by CN regarding how much grain is moved out of the region?

Councillor Bateman (MC) – it's a CN report, but the numbers are shown in US terms.

A. Apparently, that's the historical #'s or industry standard that are used.

Request: Could CN provide some baseline data for the level of service being provided in the region? Looking specifically for the number of cars requested vs. the number of cars delivered. It would be ideal to have data for the last 5 years.

Request: Could CN provide some information on forecast projections for the area in terms of anticipated growth and/or increase to the level of service?

Request: With regard to grain transportation...does CN capture source location data on the grain they are moving to identify how much local grain is being moved further south to gain access to rail. Could CN work with their partner elevators and terminals to get access to that number so an accurate representation of the amount of grain developed locally is being shipped by road due to an inability to get access to grain cars in High Level?

Request: Can CN provide a guarantee that if new investment were to be forthcoming in the region that CN will provide the required service level to ensure that businesses success?

Request: Could CN provide some reassurance/description of plans that are in place to accommodate industry growth in the High Level and Hay River areas and how CN is able to respond with regard to servicing this growth?

Deputy Mayor Langford (HL) invited Mr. Smith to the Aug 1<sup>st</sup> Tri Council meeting. Mr. Smith expects to attend. The Council also invited Mr. Smith to attend the Mackenzie County Ag Fair.

Three CAO's tomorrow morning to follow up with an email/letter to Tom Smith re request from Tri Council and attending the Aug 1<sup>st</sup> Tri Council meeting.

#### 5.2 Northwest Health Foundation

Pleased and thankful with the proceeds received from the Golf Tournament.

Goal – to upgrade the palliative care suites in La Crete, High Level and Fort Vermilion.

- \$33k for a hospital grade bed.

Presented an overview of the success of last years' campaign. Introduced the 2018 Festival of Tress recognition program. Looking for community membership.

- Discussion around local health care services (physicians, MRI machine).
- Discussion around the local Health Advisory Council and the work they are doing advocating for the region.

Deputy Mayor Langford (HL) – Does Council have any suggestions on recognition?

Deputy Mayor Langford- Are each of the 3 Councils willing to commit to the Festival of Trees for 3 years?

- Reeve Braun, commit to the 70 / 30 split of the Golf Tournament

\$2000.00 per Council to the Festival of Trees for 3 years. Consensus by all three Councils.

#### **OLD BUSINESS:**

#### 6.1 Boreal Housing Lodge Update (Standing Item)

Councillor Knelsen provided an update. Contractors - Short listed to 5 bidders. Asked to provide an update once results of the tender award are released.

# 6.2 Northwest Species at Risk Committee Update (Standing Item)

Mayor McAteer and Councillor Jorgensen in Ottawa. NWSAR Meeting – approved a resolution at NWSAR meeting/May 1st, taking to FCM end month.

Moving forward with a FRIAA Forest Resource Improvement Program grant application to conduct further environmental and species research in the region.

Received the minister's report on April 30<sup>th</sup>, not much in it.

21 species are listed on the Species at Risk Registry in our area with some notation or level of concern.

There will be a motion going to the FCM re the Species at Risk.

#### **MOTION 10-18**

This motion is requesting FCM to urge the Federal Government to consider Municipalities as partners in Section 11 and 13 Conservation agreements under the Species at Risk Act as well as to ensure future conservation goals focus on species population recovery more so then land protection measures.

#### **MOVED** by Deputy Reeve Wardley (MC)

That the three Councils support the emergent nature of the NWSAR resolution being sent to the Federation of Canadian Municipalities 2018 Conference by sending a letter to FCM Administration asking for their consideration of the resolution as emergent.

#### 6.3 Natural Gas Shortage (Standing Item)

Reeve Braun (MC) provided an update. Meeting on Friday, May 4<sup>th</sup> Committed to putting 2 compressors here.

#### **MOTION 11-18**

MOVED by Reeve Braun (MC)

That the three CAO's draft a letter as required following Mackenzie County's teleconference meeting with Minister Carlier supporting the Mackenzie County Natural Gas Pipeline Capacity Expansion Project.

#### **CARRED BY CONSENSUS**

#### 6.4 Regional Grant Opportunities

Deputy Mayor Langford spoke to how in the past we had multiple regional grants ongoing and asked that Administrations discuss and consider where regional grant opportunities may be acquired for the benefit of the entire region.

CAO Fletcher provided an example of a Regional Grant opportunity around Regional Investment Attraction and Site Selector project.

Deputy Reeve Wardley – REDI applying for funding re same/similar projects.

How can/will these projects/funding work together?

CAO Fletcher indicated that the Tri Council and REDI partners are the same. The intent would be to work in partnership with

REDI which would allow for more resources to be dedicated to existing priorities which in turn would translate to better outcomes.

Commitment received from the three Councils to work together on the projects.

#### **NEW BUSINESS:**

#### 7.1 Enhanced RCMP Discussion

Deleted

#### 7.2 RCMP Unified Lobbying

Discussion...Reeve Braun asked if the three councils can bring their ideas/questions to the RCMP when they meet at the AUMA meeting, as a group vs individually.

#### 7.3 Cell Service on Primary Highways

Discussion: CAO Racher...lobbying for better cell service on our highways. Gaps in service geographical area in the reason. Who can we lobby?

#### **MOTION 12-18**

**MOVED** by Deputy Reeve Wardley (MC)

That the Council send a letter to the Federal Government parties responsible for regulation of Cellular Towers re cell phone service in all primary and secondary highways within the region. – Safety a priority.

#### 7.4 Mackenzie Regional Waste Management Commission

Discussion... compost cell

Councillor Forest (HL) will take the discussion back to the next Mackenzie Regional Waste Management Commission meeting.

#### 7.5 Inter-Municipal Collaboration Framework

Discussion...Deputy Mayor Langford (HL). This is a mandatory requirement under the new MMGA. Form a regional committee 1 rural, 2 urban committees?

Reeve Braun (MC) – that each of the individual Councils can discuss the potential of a regional Inter-Municipal Collaboration Framework

The CAO Secretariat can discuss what the process would be at an administrative level.

CORRESPONDENCE: 8.1 Alberta Health Services RE: Response to letter on area Renal Dialysis Service

MOTION 13-18 MOVED by Mayor Farris (RL)

That a letter be sent to the Minister of Health re interprovincial/ territorial services requesting that statistics be gathered/provided on the number of patients served from areas outside of the catchment area of the High Level hospital and further request that those numbers be considered when determining the level of service provided.

#### Approval of Previous Meeting's Minutes

1. Simon Wiebe moved to accept the March 8, 2018 Regular Meeting Minutes as presented.

**CARRIED** 

#### **Business from the Minutes**

1. Shane commented that having the two floor scrubbers, one upstairs and one down, was a big help.

#### **Review of Action Sheet**

1. Removed book keeper #4 from Action Sheet.

#### Manager's Report – Philip Doerksen

- 1. March was a busy month with skating carnival and hockey tournaments at the arena.
- 2. The wheel chair ramp goes right down to the bowling lanes.
- 3. The Health and Safety inspector needed engineered drawings for the splash park. Philip has gotten these done. It cost \$1600.
- 4. Challenge Cup discussion regarding tournament and gate fees.

#### **New Business**

- 8.1 Splash Park Engineered Drawings
  - 1. Discussed that this is completed.
- 8.2 Pavement at Splash Park
  - 1. The plan is on the board upstairs at the arena.
- 8.3 Curling rink Walkways/Doorway
  - 1. Philip said they want to take out the wooden walkways on the sides of the curling rinks in order to turn the pickle ball courts. The walkways will be saved in case they are needed again.

Duffy moved that arena staff remove the wooden walkways in the curling rink and put them in storage for future use.

CARRIED

2. Philip would like to remove the third window in the curling surface and put a door in so that this area can be separate and secured.

Peter moved that Philip remove the window on the west side of the curling rink and install a door so that the area can be kept separate from the curling lobby and be secured.

**CARRIED** 

- 8.4 Canada Summer Students Grants Application

## 25 Years of Inspiring Success: Empowering EDOs, Economies & Communities

Cando's 25th Annual National Conference & AGM,
Call for Conference Presenters, ED of the Year Award,
National Youth Panel, Women In Business Panel
+ NIEEF Scholarships

#### Cando Annual National Conference & AGM

Cando is pleased to announce its 25th Annual National Conference & Annual General Meeting to be held on October 22-25, 2018 at the River Cree Resort, Enoch Cree Nation (west of Edmonton). This year's conference will be co-hosted by Enoch Cree Nation.

The Cando National Conference is the only platform that focuses exclusively on topics and trends related to the advancement of Indigenous Economic Development in Canada. It is an important venue for economic developers and related stakeholders to come together, create new business contacts, share best practices, address obstacles and relevant existing trends in our dynamic economy.

Please visit <u>Cando's conference website</u> for more information and to register.

#### **Call for Conference Presenters**

Cando is pleased to announce a Call for Presenters for the 25th Annual National Conference & AGM. Cando's conferences provide Economic Development Officers (EDOs) with tools and resources to discover new opportunities for community economic development in Indigenous regions and communities throughout Canada. The conference will be of interest to all, from the beginner community economic developer to the advanced practitioner. We will examine urban, rural and remote challenges; and offer exposure to diverse perspectives including First Nation, Métis and Inuit, and showcase entrepreneurial approaches in Indigenous economic development.

This is your opportunity to share your expertise, experiences and wisdom with fellow professionals working in Indigenous economic development. Conference workshop themes will reflect the multiple bottom lines of Indigenous economic development:

social, cultural, economic and environmental. Conference sessions will address topics that have direct impact on EDOs and will provide the audience with the practical information and tools needed to strengthen Indigenous economies.

Please visit <u>Conference Workshops</u> page on Cando's website for more information and to download a copy of the Call for Presenters & Conference Speaker Policy.

Deadline for Submissions: July 31, 2018

#### **Cando Economic Developer of the Year Award**

Sharing our stories and celebrating our successes will ensure that economic development initiatives continue to grow. In 1995, the **Cando Economic Developer of the Year Award** was created to recognize and promote recent or long-standing Indigenous economic development initiatives throughout Canada. Each year Cando awards three categories:

- \* Individual EDO
- \* Community
- \* Aboriginal Private Sector Business

Recognition programs are a great way to surface best practices and learn what others are doing. Nominating an individual, business or community for the Economic Developer of the Year Award gives them the recognition they deserve for their hard work and dedication. Finalists for these awards are given an opportunity to showcase their success to a national audience, enhancing their prestige and recognition by investors, government and other communities. By receiving an Economic Developer of the Year Award, each successful nominee is nationally recognized for their excellence, success and contributions to the advancement of Indigenous economic development in Canada.

Visit <u>Cando website</u> for more information and to download a copy of the Nomination form.

Deadline for Nominations: June 30, 2018

#### **14th Annual National Youth Panel**

The National Youth Panel is an inspiring showcase of the achievements of six highly motivated Indigenous youth (18-30) from across Canada who have been nominated by their peers and recognized as national role models. All selected panelists are invited to the Cando Annual National Conference & AGM where they will share their inspiring stories to a national audience. Do you know someone who should be a part of this year's Youth Panel? **Nominate them today!** 

Visit National Youth Panel page on <u>Cando's website</u> for more information and to download a copy of the Nomination form.

Deadline for Nominations: June 30, 2018

#### **NIEEF Scholarships**

NIEEF (National Indigenous Economic Education Fund) is Cando's charitable organization, which grants annual scholarships to Indigenous students studying in a field related to economic development. To be eligible, students must be attending or currently enrolled in a program at a post-secondary institution, and must be a Cando student member. This year, NIEEF will be granting 3 scholarships each worth \$2,000.

Visit <u>Cando's website</u> for more information and to download a copy of the Scholarship Application Form.

Deadline to apply: June 30, 2018

#### Stantec Women In Business Panel

The Stantec Women in Business Panel is a showcase of the obstacles faced and achievements of four successful Indigenous women from across Canada who have been nominated to speak and inspire conference delgates with their stories of perseverance and determination. All selected panelists are invited to the Cando Annual National Conference & AGM where they will share their inspiring stories with a national audience. Do you know someone who should be a part of this year's Stantec Women in Business Panel? **Nominate them today!** 

Visit National Youth Panel page on <u>Cando website</u> for more information and to download a copy of the Nomination form.

Deadline for Nominations: June 30, 2018
