

Mackenzie County

Title	Municipal Shop Use	Policy No:	ADM036
--------------	---------------------------	-------------------	---------------

Legislation Reference	Municipal Government Act, Section 5
------------------------------	--------------------------------------------

Purpose

To establish criteria for the use of Mackenzie County facilities such as shop, fire halls, and other similar structures.

Policy Statement

Mackenzie County maintenance shops or other municipally owned buildings - such as fire halls, etc. - will only be used for the repair, maintenance and storage of municipally owned vehicles and equipment.

Guidelines

1. Mackenzie County mechanics, or approved contractors, will oversee maintenance and repairs of municipally owned vehicles and equipment, within these facilities.
2. No private vehicles will be maintained, repaired, stored or washed at any Mackenzie County facilities unless permission is granted by the Fleet Maintenance Manager or the Chief Administrative Officer.
