REGIONAL ALLIANCE OF MUNICIPALITIES

High Level Mackenzie County Rainbow Lake

TRI-COUNCIL SURVEY

2026 Alberta Games

Deadline February 28, 2023

Tri-Council is seeking assistance to gauge the interest of the region in submitting a bid to host the 2026 Alberta Winter and/or Summer Games. Tri-Council is composed of the Town of High Level, Mackenzie County and the Town of Rainbow Lake. This event would be a collaboration of the region, not just one community. The economic revenue from hosting an event such as this would benefit the region.

Before pursuing a bid, Tri-Council would first like to determine the level of interest from local businesses, non-profit and community groups. Hosting an event of such magnitude relies heavily on commitment from many volunteers, sponsorship support, suitable venues for sporting events, accommodations for lodging and food services for approximately 3,000 athletes, coaches, officials and spectators.
