## MACKENZIE COUNTY REGULAR COUNCIL MEETING

Tuesday, September 11, 2012 10:00 a.m.

## Fort Vermilion Council Chambers Fort Vermilion, Alberta

PRESENT: Bill Neufeld Reeve

Walter Sarapuk Deputy Reeve (left the meeting at 12:30 p.m.)

Jacquie Bateman
Peter F. Braun
Councillor

ABSENT: Elmer Derksen Councillor

**ADMINISTRATION:** William (Bill) Kostiw Acting CAO, Director of Infrastructure

**Development & Government Relations** 

Carol Gabriel Manager of Legislative & Support Services

Byron Peters Director of Planning and Development

**ALSO PRESENT:** Members of the public and the media.

Minutes of the Regular Council meeting for Mackenzie County held on September 11, 2012 in the Fort Vermilion Council Chambers.

CALL TO ORDER: 1. a) Call to Order

Reeve Neufeld called the meeting to order at 10:01 a.m.

AGENDA: 2. a) Adoption of Agenda

MOTION 12-09-577 MOVED by Councillor Braun

That the agenda be approved with the following additions:

10. e) Fort Vermilion Waterline Break

12. c) Meeting with Municipal Affairs – MHMB Financial

Review

**CARRIED** 

**ADOPTION OF PREVIOUS MINUTES:**  Minutes of the August 22, 2012 Regular Council Meeting

**MOTION 12-09-578** 

**MOVED** by Councillor J. Driedger

That the minutes of the August 22, 2012 Regular Council meeting be adopted as presented.

**CARRIED** 

**GENERAL REPORTS:** 

5. a) CAO Report

**MOTION 12-09-579** 

**MOVED** by Deputy Reeve Sarapuk

That the CAO report for September 2012 be received for information.

CARRIED

5. b) Municipal Planning Commission Meeting Minutes -

August 9, 2012

**MOTION 12-09-580** 

**MOVED** by Councillor Wardley

That the Municipal Planning Commission meeting minutes of

August 9, 2012 be received for information.

**CARRIED** 

Mackenzie Library Board Meeting Minutes – July 9,

2012

**MOTION 12-09-581** 

MOVED by Councillor J. Driedger

That the Mackenzie Library Board meeting minutes of July 9,

2012 be received for information.

**CARRIED** 

**TENDERS:** 

6. a) None

**PUBLIC HEARINGS:** 

7. a) None

COMMUNITY

8. a) None

**SERVICES:** 

ENVIRONMENTAL SERVICES:

9. a) Rural Waterline

**MOTION 12-09-582** 

MOVED by Councillor J. Driedger

That Mackenzie County allows implementation of volunteer User Steering Committees with a minimum of 5 members in lieu of Co-op's and that administration draft a Terms of Reference for approval by Council.

**CARRIED** 

**MOTION 12-09-583** 

**MOVED** by Councillor Jorgensen

That Mackenzie County construct a temporary flushing/fill station at the intersection of Airport Road and Range Road 14-3.

**CARRIED** 

**MOTION 12-09-584** 

**MOVED** by Councillor Braun

That Mackenzie County engages DCL Siemens to complete draft plans for the Fort Vermilion Booster Station at the predetermined location with future plans for a truck fill at this location.

CARRIED

**OPERATIONS:** 

10. a) Roads and Drainage to New Lands

**MOTION 12-09-585** 

**MOVED** by Councillor Wardley

That the County continue lobbying for provincial funding for roads and drainage to new lands.

**CARRIED** 

Reeve Neufeld recessed the meeting at 11:04 a.m. and reconvened the meeting at 11:14 a.m.

**MOTION 12-09-586** 

**MOVED** by Councillor Wardley

That the Agricultural Land Use Planning Committee research a homesteader program.

#### **CARRIED**

#### 10. b) Roads and Drainage to New Lands Policy

#### **MOTION 12-09-587**

MOVED by Councillor J. Driedger

That the roads and drainage to new lands policy be TABLED to the next meeting.

#### **CARRIED**

#### 10. c) MARA & Fort Vermilion Federal Research Station

#### **MOTION 12-09-588**

**MOVED** by Deputy Reeve Sarapuk

That Council approves administration negotiating a short term lease of the Fort Vermilion Research Station and present it to Council for approval.

#### **CARRIED**

#### 10. d) Zama Office Roof Repair

#### **MOTION 12-09-589**

Requires 2/3

**MOVED** by Councillor Bateman

That Council approve the transfer of \$70,000 from the Fort Vermilion Building Repair & Maintenance budget to the Zama Office Building Roof Repair project.

#### CARRIED

#### 10. e) Fort Vermilion Waterline Break (ADDITION)

#### **MOTION 12-09-590**

**MOVED** by Councillor Wardley

That administration review the Fort Vermilion waterline break incident and report back to Council at the next meeting.

#### **CARRIED UNANIMOUSLY**

#### **MOTION 12-09-591**

**MOVED** by Councillor Jorgensen

That Policy FIN025 Purchasing Policy be brought back to Council for review.

# MACKENZIE COUNTY REQUEST FOR DECISION

Meeting:	Regular Council Meeting	
Meeting Date:	September 24, 2012	
Presented By:	Joulia Whittleton, Chief Administrative O	fficer
Title:	DELEGATION Ranjit Tharmalingam, Alberta Transporta	ntion – 2:00 p.m.
BACKGROUND / P	ROPOSAL:	
Ranjit Tharmalingan to discuss various C	n, Acting Regional Director for Alberta Transp County projects.	portation will be present
OPTIONS & BENE	FITS:	
COSTS & SOURCE	E OF FUNDING:	
RECOMMENDED A	ACTION:	
For discussion.		
Author: C. Gabriel	Review bv:	CAO

Mackenzie County

P.O. Box 640, Fort Vermilion, AB T0H 1N0 Phone (780) 927-3718 Fax (780) 927-4266 www.mackenziecounty.com

September 14, 2012

Mr. Ranjit Tharmalingam, P. Eng. Acting Regional Director 3<sup>rd</sup> Floor Provincial Building 9621-96 Avenue Peace River, AB T8S 1T4

Dear Mr. Tharmalingam:

This letter is to apprise you of some projects Mackenzie County is requesting financial assistance for. We certainly appreciate all the past assistance form Alberta Transportation and Infrastructure Development and especially the base paving of Highways 88 and 58.

#### 1. Highway 88 Connector to Highway 697 (29 km)

This project is currently moving forward with base paving of the west 12 km and the rehabilitation of two bridge structures BF80938 and BF80939. Alberta Transportation has committed to supplying the gravel insitu.

Our request is for Alberta Transportation to provide Resource Road funding to complete the east 17 km in 2013 or for Alberta Transportation to gazette the road as a primary highway. This highway meets all the criteria for a primary highway and is a critical market and resource road for northwest Alberta as well as La Crete and area.

#### 2. Zama City Access – Highway 35 to Zama City (68 km)

Currently we have seven kilometers paved and this year we are base paving another nine kilometers with Alberta Transportation Resource Road grant assistance (\$3,000,000). This leaves approximately 50 km of very busy and dusty road conditions to base pave in the future.

Mr. Ranjit Tharmalingam Page 2 September 14, 2012

Our request is for Alberta Transportation to provide Resource Road funding, perhaps on a 75% provincial and 25% municipal cost share basis, or for Alberta Transportation to gazette the road as primary highway.

#### 3. Roads and Drainage for New Farm Lands

Over the last two years, the Province sold or is selling 136,000 acres of new farm lands in various areas of the County. This created an urgent requirement for new roads and enhanced drainage channels. For reasons beyond our understanding the Province received all the sale proceeds and cannot return any funds to the County for infrastructure development. The province received a significant amount of revenue well over the appraised value. The estimated cost of the total cost of new roads and bridges is estimated at over \$30,000,000. The estimated cost of the new drainage system is \$28,000,000.

The County has three requests for new funding:

- a. That the Province provide \$150,000 to complete a Drainage Impact Assessment. This should be provided on an equal split between Alberta Transportation, Alberta Environment & Sustainable Resource Development, Alberta Municipal Affairs, Alberta Agriculture and the County.
- b. That the Alberta government provide the County up to \$30,000,000 for roads to new lands on an as needed basis and without any reduction of current grants and assistance programs. The funds should come directly from land sale revenues.
- c. That the Alberta government provide the County up to \$28,000,000 for drainage improvements on an as needed basis as identified in the Drainage Impact Assessment. This funding would be above current grants and assistance programs.

#### 4. New Bridge at Tompkins Landing on the Peace River and Ferry Upgrades

This project becomes more urgent as the area develops and traffic increases. The County had our engineering consultants (GENIVAR) prepare preliminary cost estimates which are included for your perusal. The County estimates that with the ferry upgrades we would get another five-six years of service. By then the Province should develop a capital project to build a bridge at this important crossing. We are also awaiting the final details on the ferry upgrade.

#### 5. Tompkins Ice Bridge

The County currently builds and maintains the ice-bridge with assistance from Alberta Transportation. This arrangement is working well and the users seem

satisfied. The County is looking for solutions to increase the allowable weight to be at 63,500 pounds (legal winter weight).

#### 6. Other Bridges & Culverts

a. There is an urgent requirement for another centre line culvert at the intersection of Highway 58 and Range Road 18-4. This area floods to the north and the County is currently constructing an ESRD approved drainage ditch that connects to the Boyer River. The estimated size of the culvert is 600 mm.

The County is requesting that Alberta Transportation provide and install a 600 mm culvert prior to March 31, 2013 or provide a grant for the County to install same at an estimated cost of \$40,000.

b. There are serious flooding concerns at the intersection of Highway 697 and RR 106-14. The County has greatly improved the drainage channels from Highway 697 east to the Bear River Basin. This project has been approved by ESRD.

The County is requesting that Alberta Transportation provide the culvert and install prior to March 31, 2013. The other option is for Alberta Transportation to provide the County with a grant of \$45,000 to provide and install an 800 mm culvert.

c. Alberta Environment & Sustainable Resources Development has requested the County's assistance on Bridge File 80979 (RDS800061) where the culvert has washed out (see attached map and photograph). This road is currently only used to access a genetics site. The County feels this is a provincial responsibility, however, we are willing to assist. The County's request is for Alberta Transportation to take responsibility or provide a grant to the County. The estimated cost is over \$100,000.

#### 7. First Nations Roads

The County currently provides road maintenance for the Boyer First Nations under an agreement with Alberta Transportation. This is acceptable for grading and regravelling, however, there is no provision for roadside maintenance (mowing) or roadside brush control.

The County has several miles of roads bordering the reserve property which has overhanging brush. The County is requesting funding and permission to deal with this brush control.

Mr. Ranjit Tharmalingam Page 4 September 14, 2012

In summary, this may seem like a "big" list, however, it's less than "one" overpass on the major highways. In any event the County certainly appreciates all the help and financial assistance the government provided in the past and look forward to your consideration on the above.

Thank you and we look forward to meeting with you at the Council meeting on September 24, 2012 in Fort Vermilion.

Sincerely,

William (Bill) Kostiw

Acting Chief Administrative Officer/
Director of Infrastructure Development

and Government Relations

Attach.

Hon. Frank Oberle, MLA – Peace Region

Attention: Mr. John Klassen, Director of Operations

#### RE: PEACE RIVER BRIDGE AT TOMPKINS LANDING (Hwy 697)

Thank you for the opportunity to submit this cost estimate type 'A' for the design and construction of the above bridge. In preparation of this document, we have completed site visit, file review at Alberta Transportation Peace Region office and in Twin Atria in Edmonton. This conceptual cost estimate is provided for two alignment alternatives. It is understood that this is only a conceptual cost estimate and a functional bridge planning should be undertaken to look at details and road alignments etc.

GENIVAR File: 121-21919-00

For budgeting purposes, attached are spreadsheets that outline the cost estimates for the proposed alignment alternatives.

Please contact me at (780) 410 6740 if you have any question.

Sincerely,

Berhanu Woldegiorgis, M.Sc., P. Eng.

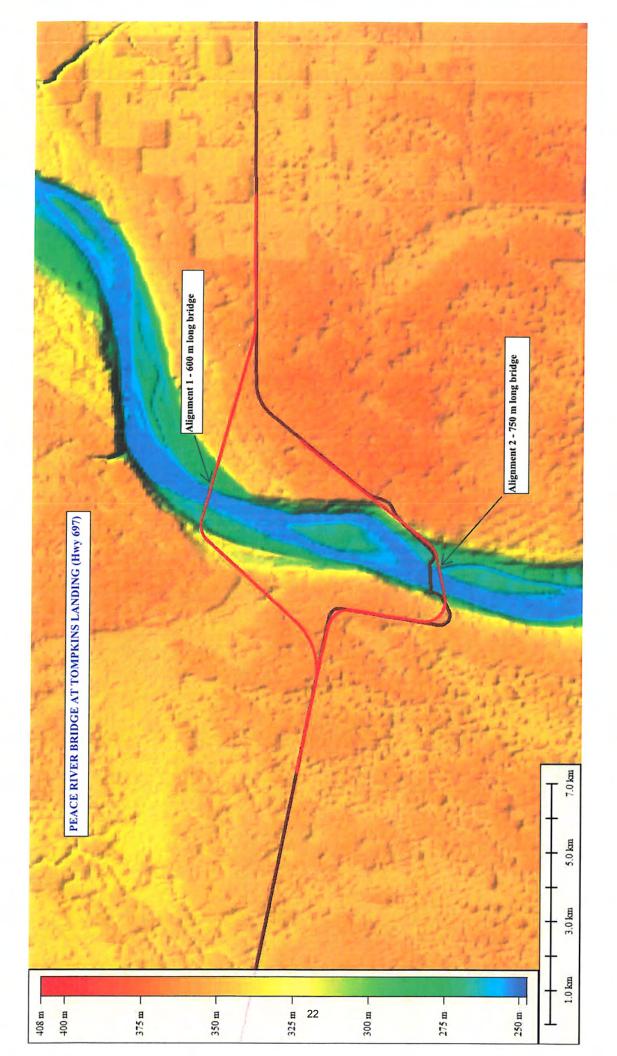

GENIVAR Inc.

ADJOURNMENT MOTION 12-048

10.a) Adjournment

**Moved by Danny Friesen** 

That the ASB Meeting be adjourned at 12:10 PM.

**CARRIED** 

These minutes were approved on September 14, 2012.

Walter Sarapuk, Chair Grant Smith, Agricultural Fieldman

# MACKENZIE COUNTY REQUEST FOR DECISION

Meeting: Regular Council Meeting

Meeting Date: September 24, 2012

Presented By: Byron Peters, Director of Planning & Development

**PUBLIC HEARING** 

Bylaw 870-12 Land Use Bylaw Amendment

Title: Part of NW 3-106-15-W5M From Hamlet Commercial 2 "HC2"

to Urban Fringe "UF" Land Use District

(La Crete)

#### **BACKGROUND / PROPOSAL:**

Bylaw 870-12, being a Land Use Bylaw amendment request to rezone Part of NW 3-106-15-W5M from Hamlet Commercial District 2 "HC2" to Urban Fringe "UF" in order to accommodate the keeping of horses within the Hamlet boundary, received first reading at the August 22, 2012 Council meeting.

The Planning and Development Department has no objection to the re-zoning of this large track of land within the Hamlet from Hamlet Commercial 2 "HC2" to Urban Fringe "UF" since Council passed Bylaw 857-12, which allows for the keeping of Equestrian in Urban Fringe district.

Horse farms are one of the least understood forms of agriculture In Mackenzie County and yet from an economic development perspective, they bring a multitude of economic benefits and spin-offs that create employment, encourage investment, and protect the rural landscape.

However, one of the biggest problems with most properties is overstocking. Well planned and managed horse establishments should be able to match the capacity of the land with the stocking rate. This is important in order to minimize or avoid soil erosion and sedimentation, weeds, reduced water quality and quantity, poor horse health and conflict with neighbours. As for any other development in the Urban Fringe "UF" zoning, development involving horses should take particular care to minimize the effects the proposal will have on the appearance of the Urban Fringe "UF".

|--|

The applicant is requesting to rezone all of the remainder of Part of NW 3-106-15-W5M that is currently zoned Hamlet Commercial 2 "HC2" in order to allow his horses' access to the grassed land directly south of 94<sup>th</sup> Avenue. If the County does not allow this, then he will remove the grassland and commence farming grain crops on this portion of land. If not allowed his first option, then he would like just the treed area of his land rezoned.

#### 8.27 URBAN FRINGE "UF"

The general purpose of this LAND USE DISTRICT is to control DEVELOPMENT around urban centers to those uses which requires a larger Lot or parcel on which to operate, to protect future growth areas for urban centers, and to minimize conflicts between urban and rural uses in accordance with an approved INTER-MUNICIPAL DEVELOPMENT PLAN and/or MUNICIPAL DEVELOPMENT PLAN.

#### A. DISCRETIONARY USES

- a) ANCILLARY BUILDING/SHED

- o) Keeping of LIVESTOCK
- p) MANUFACTURED HOME SINGLE WIDE
- q) MANUFACTURED HOME DOUBLE WIDE
- r) MANUFACTURE HOME MODULAR
- s) TEMPORARY/PORTABLE UNIT
- t) VETERNIRAY CLINIC

Bylaw 870-12 was presented to the Municipal Planning Commission (MPC) at their August 09, 2012 meeting where the following motion was made:

#### Option 4

Allow the applicants request to rezone the entire remaining portion of NW 3-106-15-W5M as shown on Map "B".

Author: S. Wahab Reviewed by: Byron Peters CAO	
--	--

That the Municipal Planning Commission recommendation to Council be, to approve Bylaw 870-12, being a Land Use Bylaw amendment to rezone Part of NW 3-106-15-W5M from Hamlet Commercial 2 (HC2) to Urban Fringe (UF), subject to public hearing input.

Bylaw 870-12 was presented to the Council at their regular meeting on August 22, 2012 where the following motion was made:

First reading was given to Bylaw 870-12 Land use Bylaw Amendment from Hamlet Commercial 2 "HC2" to Urban Fringe "UF" Land use District.

#### **OPTIONS & BENEFITS:**

The Land Use Bylaw does allow for the keeping of livestock as a discretionary use in Rural Country Residential land use districts (RC1, RC2 and RC3), on parcels as small as 3 acres. Recently, Council amended the Land Use Bylaw to accommodate the keeping of horses in Urban Fringe "UF" district to a maximum of six animals. Furthermore, the keeping of horses would also be in line with the MDP's objective of keeping the rural character of the County as well as the objective of preserving the County's agricultural heritage.

The applicants request to rezone the entire remaining portion of NW 3-106-15-W5M would allow horses to occupy an area of town with a high traffic volume, that being directly adjacent to 94<sup>th</sup> Avenue.

#### Conclusion

While the keeping of horses in hamlet boundaries does present some concerns in terms of noise and waste, it is important to bear in mind that the ability to keep horses for recreational purposes is an attractive feature for a community to have and that several jurisdictions do allow equestrian properties within their boundaries.

#### **RECOMMENDED ACTION:**

#### **Motion 1**

That second reading be given to Bylaw 870-12, being a Land Use Bylaw Amendment to rezone Part of NW 3-106-15-W5M from Hamlet Commercial 2 "HC2" to Urban Fringe "UF".

#### Motion 2

That third reading be given to Bylaw 870-12, being a Land Use Bylaw Amendment to rezone Part of NW 3-106-15-W5M from Hamlet Commercial 2 "HC2" to Urban Fringe "UF".

### PUBLIC HEARING FOR LAND USE BYLAW AMENDMENT

#### **BYLAW 870-12**

#### **Order of Presentation**

This Public Hearing will now come to order at
Was the Public Hearing properly advertised?
Will the Development Authority, please outline the proposed Land Use Bylaw Amendment and present his submission.
Does the Council have any questions of the proposed Land Use Bylaw Amendment?
Were any submissions received in regards to the proposed Land Use Bylaw Amendment? If yes, please read them.
Is there anyone present who would like to speak in regards of the proposed Land Use Bylaw Amendment?
If YES: Does the Council have any questions of the person(s) making their presentation?
This Hearing is now closed at
REMARKS/COMMENTS:

#### **BYLAW NO. 870-12**

# BEING A BYLAW OF MACKENZIE COUNTY IN THE PROVINCE OF ALBERTA

### TO AMEND THE MACKENZIE COUNTY LAND USE BYLAW

WHEREAS, Mackenzie County has a Municipal Development Plan adopted in 2009, and

**WHEREAS**, Mackenzie County has adopted the Mackenzie County Land Use Bylaw in 2011, and

**WHEREAS**, the Council of Mackenzie County, in the Province of Alberta, has deemed it desirable to amend the Mackenzie County Land Use Bylaw to accommodate horses within the Hamlet Boundaries on a large track of undeveloped land.

**NOW THEREFORE,** THE COUNCIL OF THE MACKENZIE COUNTY, IN THE PROVINCE OF ALBERTA, DULY ASSEMBLED, HEREBY ENACTS AS FOLLOWS:

1. That the land use designation of the subject parcel known as:

Part of NW 3- 106-15-W5M

Located within the Hamlet of La Crete, be rezoned from Hamlet Commercial 2 "HC2" to Urban Fringe "UF", as outlined in Schedule "A" hereto attached.

READ a first time this 22 <sup>rd</sup> day of August, 2012.	
READ a second time this day of, 2012.	
READ a third time and finally passed this day of,	2012.

#### MACKENZIE COUNTY

#### NOTICE OF PUBLIC HEARING PROPOSED BYLAW NO. 872-12

Pursuant to the Municipal Government Act, being Chapter M-26 of the Statutes of Alberta, notice is hereby given that the Council of Mackenzie County will hold a public hearing prior to the second reading of Bylaw No. 872-12 for an amendment to Land Use Bylaw No. 791-10. The proposed amendment is:

That the land use designation of the subject parcel known as: Part of Plan 062 1497, Block 1, Lot 2 within the Hamlet of La Crete be rezoned from Urban Fringe "UF" to Direct Control "DC" District to accommodate a Manufacturing Firm. The adoption of this Bylaw will permit the applicant to operate a manufacturing business for a temporary period of time.

The Public Hearing is to be held at 1:00 p.m. Monday, September 24th, 2012 in the Mackenzie County Council Chamber in Fort Vermilion (4511-46 Avenue). The proposed bylaw may be viewed at any Mackenzie County office during regular office hours. Please submit written submissions to the Planning and Development Department prior to 4:30 p.m. Friday. September 21st, 2012. If you have any questions regarding the hearing or the bylaw, please call the Planning and Development Department at 780-927-3718 or 780-928-3983.

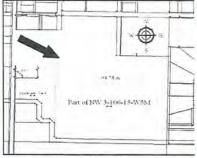

#### MACKENZIE COUNTY

#### NOTICE OF PUBLIC HEARING PROPOSED BYLAW NO. 870-12

Pursuant to the Municipal Government Act, being Chapter M-26 of the Statutes of Alberta, notice is hereby given that the Council of Mackenzie County will hold a public hearing prior to the second reading of Bylaw No. 870-12 for an amendment to Land Use Bylaw No. 791-10. The proposed amendment

That the land use designation of the subject parcel known as: Part of NW 3- 106-15-W5M Located within the Hamlet of La Crete, be rezoned from Hamlet Commercial 2 "HC2" to Urban Fringe "UF" Land Use District. This re-zoning will allow the applicant/landowner to keep up to a maximum of 6 horses within the Hamlet Boundary.

The Public Hearing is to be held at 1:00 p.m. Monday, September 24th, 2012 in the Mackenzie County Council Chamber in Fort Vermilion (4511-46 Avenue). The proposed bylaw may be viewed at any Mackenzie County office during regular office hours. Please submit written submissions to the Planning and Development Department prior to 4:30 p.m., Friday, September 21st, 2012. If you have any questions regarding the hearing or the bylaw, please call the Planning and Development Department at 780-927-3718 or 780-928-3983.

### **MACKENZIE COUNTY** REQUEST FOR DECISION

Meeting: **Regular Council Meeting** 

**Meeting Date: September 24, 2012** 

**Presented By:** Byron Peters, Director of Planning & Development

PUBLIC HEARING

Bylaw 872-12 Land Use Bylaw Amendment rezone Part of Title:

Plan 062 1497, Block 1, Lot 2 from Urban Fringe "UF" to

**Direct Control District 2 "DC2"** 

(La Crete)

#### BACKGROUND / PROPOSAL:

Bylaw 872-12, being a Land Use Bylaw amendment request to rezone Part of Plan 062 1497, Block 1, Lot 2 from Urban Fringe "UF" to Direct Control District 2 "DC2" in order to accommodate a manufacturing firm on a temporary basis, received first reading at the August 22, 2012 Council meeting.

During the revising of the new Land Use Bylaw 791-10, every effort was taken to ensure that all zonings meet the needs of all the hamlets within the County. The Hamlet of La Crete is a unique area with a diverse mix of industrial, commercial, and residential uses combined together in a small area.

The Planning and Development Department had received an application for a Text Amendment to the Land Use Bylaw Urban Fringe "UF" zone. This being the addition of "Manufacturing Firm" in order to accommodate this type manufacturing firm in the Hamlet of La Crete Urban Fringe "UF" zoning.

The Planning and Development Department was reluctant to consider the idea of Adding "Manufacturing Firm" as a discretionary Use in the Urban Fringe "UF" district. The Planning and Development Department believes that Manufacturing Firms should be location in Hamlet Industrial I "HI1" or in Hamlet Industrial 2 "HI2" in order to avoid land use incompatibility in the Hamlet.

Author:	Samuel Wahab	Reviewed by:	Byron Peters	CAO

The Municipal Development Plan objectives in regard to industrial development are to support a concentrated pattern of industrial development and minimize the negative impacts of rural industrial development.

#### 8.27 URBAN FRINGE "UF"

The general purpose of this LAND USE DISTRICT is to control DEVELOPMENT around urban centres to those uses which requires a larger Lot or parcel on which to operate, to protect future growth areas for urban centres, and to minimize conflicts between urban and rural uses in accordance with an approved INTER-MUNICIPAL DEVELOPMENT PLAN and/or MUNICIPAL DEVELOPMENT PLAN.

#### A. DISCRETIONARY USES

- a) ANCILLARY BUILDING/SHED
- b) BED AND BREAKFAST BUSINESS
- C) CHURCH
- d) COMMUNICATION TOWER
- e) CEMETERY
- f) DWELLING SINGLE FAMILY
- g) EXTENSIVE AGRICULTURE
- h) FARM SUBDIDIARY BUSINESS
- i) GARAGE ATTACHED
- j) GARAGE DETTACHED
- k) GARDEN SUITE
- I) HOME BASES BUSINESS
- m) INSTITUTIONAL USE
- n) INTENSIVE AGRICULTURE 1
- o) MANUFACTURED HOME SINGLE WIDE
- p) MANUFACTURED HOME DOUBLE WIDE
- q) MANUFACTURE HOME MODULAR
- r) TEMPORARY/PORTABLE UNIT
- s) VETERNIRAY CLINIC

The application was presented to the Municipal Planning Commission (MPC) at their July 26, 2012 meeting where the following motions were made:

#### Motion 1

Recommend to Council that the Planning and Development Department not amend the Land Use Bylaw to add Manufacturing Firm to Urban Fringe "UF" District;

Author:	Samuel Wahab,	Reviewed by:	Byron Peters	CAO
	Planner			

#### Motion 2

Recommend to Council to establish Direct Control "DC" district for the applicants business as permitted in the Land Use Bylaw with terms and conditions attached to the Direct Control "DC" district for a specific period of time to enable the applicant to relocate his business to appropriate zoning area.

The application was presented to Council at their August 22, 2012 regular meeting where motion 12-08-560 was made:

That first reading was given to Bylaw 872-12 being a Land Use Bylaw to rezone Part of Plan 062 1497, Block 1, Lot 2 from Urban Fringe "UF" to Direct Control "DC" to accommodate a Manufacturing Firm, subject to public hearing input.

#### **OPTIONS & BENEFITS:**

All property in Mackenzie County is assigned a zoning designation which allows certain uses, and contains development standards such as building setbacks and parking requirements. In each zoning designation some uses are permitted or prohibited while others are designated as discretionary uses.

It is important to note that the objective of the Land Use Bylaw is to regulate the use and development of land and buildings within the boundaries of the County to achieve the orderly and economic development of land. The addition of Manufacturing Firm to the Urban Fringe "UF" as a discretionary use may create land use conflict and incompatibility with other uses. Since bed and breakfast business, Dwelling – Single Family home and Institutional uses are listed as discretionary use in this zone; it would be against good planning principle to add Manufacturing Firm among the listed discretionary uses. Importantly, the Planning and Development Department do not want to set precedence for the amendment of the Land Use Bylaw without considering the conformance with the Municipal Development Plan, the Land Use Bylaw and the La Crete Area Structure Plan. Since the County already designated certain areas for industrial development activities, it makes logical sense that manufacturing firms should be located in those districts.

#### **COSTS AND SOURCE OF FUNDING:**

All costs will be borne by the applicant.

Author:	Samuel Wahab,	Reviewed by:	Byron Peters	CAO
	Planner			

#### **RECOMMENDED ACTION:**

#### Motion 1

That second reading be given to Bylaw 872-12, being a Land Use Bylaw to rezone Part of Plan 062 1497, Block 1, Lot 2 from Urban Fringe "UF" to Direct Control "DC" to accommodate a Manufacturing Firm.

#### **Motion 2**

That third reading be given to Bylaw 872-12, being a Land Use Bylaw to rezone Part of Plan 062 1497, Block 1, Lot 2 from Urban Fringe "UF" to Direct Control "DC" to accommodate a Manufacturing Firm.

Title: Policy ASB020 – Construction in County Road Allowances for

the Purpose of Draining Water Policy

## **BACKGROUND / PROPOSAL:**

Due to increasing demands to drain water along and through County road allowances and roadways/road ditches, a process is required to grant and prioritize approvals from all levels of government.

At their September 14, 2012 ASB meeting, the ASB recommends that council adopt the attached policy and application form as presented.

## **OPTIONS & BENEFITS:**

To establish guidelines and a set of rules to allow private landowners to construct channels in county road ditches and road allowances for the purpose of draining runoff water which will allow the County to record and track activity.

## **COSTS & SOURCE OF FUNDING:**

No construction costs will be incurred to the County as this is an approval process.

### **RECOMMENDED ACTION:**

That Policy ASB020 Construction in County Road Allowances for the Purpose of Draining Water be approved as presented.

	ALLOWANCES FOR THE PURPOSE OF	_	
	DRAINING WATER		

## **Legislation Reference**

## **Purpose**

To establish guidelines and a set of rules to allow private landowners to construct channels in County Road Ditches and Road allowances for the purpose of draining runoff water which will allow the County to record and track activity.

## **POLICY STATEMENT:**

Due to increasing demands to drain water along and through County road allowances and roadways/road ditches, a process is required to grant and prioritize approvals from all levels of government.

## **GENERAL GUIDELINES:**

Applicants must provide the following information:

- 1. A basic survey & plan of the area to be utilized for the purpose of draining runoff water on forms supplied by the County.
- 2. Applicants must agree to undertake and manage construction at no cost to Mackenzie County.
- 3. Maximum depth of channel not to exceed 0.5 meters.

#### PROCEDURE:

Applications will be subject to the following approval process:

- 1. The Agricultural Fieldman and Public Works Leadhands will perform a basic review of all applications and conduct visual field inspections; and
- 2. The Agricultural Service Board (ASB) and Directors reviews all applications, field data reports and surveys and will then forward their decision to applicants. The ASB will consult with Alberta Environment (AE) on projects that may require AE approval under the <u>Water Act.</u>
- 3. Written notification will be forwarded to the applicant within 30 days of receiving the application.

Approved applications must be constructed within one year of approval date, at which time approval will be considered null and void.

Agricultural Fieldman shall keep a summary and a map of all approved applications and constructed channels.

**Government Relations** 

Title: 2012 Agriculture Disaster Update

## BACKGROUND / PROPOSAL:

Mackenzie County has declared an Agriculture Disaster for the 2012 growing season. All required government agencies have been notified. The County has requested that assistance programs be implemented to assist producers with potentially high costs associated with a drought situation.

## **OPTIONS & BENEFITS:**

### **COSTS & SOURCE OF FUNDING:**

## **RECOMMENDED ACTION:**

That Council continues to lobby the Provincial Government to implement assistance programs to aid area agricultural producers.

Title: Bylaw 873-12 Land Use Bylaw Amendment to Add Dwelling-

**Show Home to Land Use Bylaw** 

## **BACKGROUND / PROPOSAL:**

Several times throughout the years, the issue of "Show Homes" has been brought to the Planning Departments attention. Recently a Developer in the Hamlet of Fort Vermilion has requested a type of development where he subdivides and constructs the homes for resale. He would like to construct the homes prior to the finalization of the subdivision for display to potential clients. These clients would then place an order for their own dwelling and lot.

Recently, administration was in contact with ISL Engineering and Land Services Ltd to conduct legal review phase for the "Show Home Agreement Project." Based on the reviews, ISL recommended that the Planning and Development amend the Mackenzie County Land Use Bylaw (LUB) by adding "Show Home" as a Discretionary use to the Agricultural and Residential Districts. As well as adding a new provision to Section 7 of the Land Use Bylaw entitled "Show Homes", which describes very General Regulations, and prepare a Show Home Agreement to implement the County's requirements.

## Report from ISL

Arising out of a recent inquiry regarding the development and subsequent residential occupation of show homes in Mackenzie County, ISL was asked to provide the County with options to accommodate this form of development. Particular concerns in this regard included:

- the timing of show home construction in the subdivision process;
- show home access to services and Fire Rescue operations;
- occupancy of show homes as a permanent residence before servicing is complete; and

Author: S. Wahab Reviewed by: C	CAO
---------------------------------	-----

 removal of show homes in circumstances where the larger development does not proceed

While a form of "Show home Agreement" between the County and the developer was considered as on option, based on a review of the County's Municipal Development Plan and Land Use Bylaw, approaches taken in other municipalities, consultation with the law firm of Ogilvie LLP and our own experience in the preparation of Land Use Bylaws, and a legal review by Ogilvie LLP, ISL recommended and the County has agreed that the matter be addressed though a zoning and permit approach, utilizing the authority of the County's Land Use Bylaw as the primary resource. The particular steps to be taken are:

- a) Amend the Mackenzie County Land Use Bylaw (LUB) by adding a new use class called "DWELLING SHOW HOME" as a Discretionary Use in the Agricultural District and in the various residential districts.
- b) Add new provisions to the General Regulations section of the LUB (section 7) to address Show home specific concerns.

The following information provides the content for item 1 and 2.

### I. Definition

"DWELLING – SHOW HOME" means a DEVELOPMENT consisting of only one future DWELLING UNIT which is separate from any other DWELLING UNIT or building, and which is supported on a permanent foundation or BASEMENT, and which meets the requirements for a residence as specified within the Alberta Building Code, and which is intended to be used for marketing purposes, only. A DWELLING – SHOW HOME may not be occupied for any residential purpose. A DWELLING – SHOW HOME may be converted to a DWELLING – SINGLE FAMILY upon the issuance of a Development Permit therefore, in which case the conversion shall be, notwithstanding anything else in this Bylaw contained, a DISCRETIONARY USE.

## II. DWELLING - SHOW HOME Regulations

The following regulations shall apply to DWELLING – SHOW HOME:

- On-site parking shall be provided at a rate of parking spaces per 100 m² of Floor Area of the DWELLING - SHOW HOME, and all curb crossings and access points shall be designed and located so as to minimize on-site and off-site traffic impacts, to the satisfaction of the DEVELOPMENT AUTHORITY.
- 2. The siting and development of a DWELLING SHOW HOME shall be in compliance with the regulations of the Land Use Zone intended to be applied to the site to accommodate future residential development; provided that the DEVELOPMENT AUTHORITY may attach additional conditions to minimize adverse impacts on adjacent development, including the construction of roadways or temporary turnarounds, in accordance with Mackenzie County's Design Standards.

Author:	S. Wahab	Reviewed by:	CAO	

- 3. Excluding advertising copy, the colours and materials employed for the exterior finishes, whether permanent or temporary, shall be compatible with those commonly found in Residential Zones.
- Any exterior lighting shall be designed and located such that no light is directed at adjoining properties and such that the effectiveness of any traffic control devices is not impaired.
- 5. A DEVELOPMENT PERMIT application for a DWELLING SHOW HOME shall be accompanied by the following information in addition to the information required by subsection 5.5.1 of this Bylaw:
  - a. a context plan identifying the nature of the land uses and development within a 60.0 m radius of the proposed Site;
  - b. a description of the exterior finish materials and colours for any structure including any proposed hoardings or false fronts;
  - c. drawings showing the location, area, Height, construction material, colour and method of support for any proposed on-site identification and advertising Signs, including any advertising or supergraphics that shall be displayed on a hoarding or false front;
  - d. drawings showing the area, Height, construction materials and method of support for any proposed off-site Directional Signs, and a description of the proposed location for the Signs; and
  - e. the security required by section 10(e), below.
- A DEVELOPMENT PERMIT for a DWELLING SHOW HOME shall be valid for such a
  period of time as specified by the DEVELOPMENT AUTHORITY having regard for the
  amount of land or development being marketed, but in no case shall the time period
  exceed two years.
- 7. Prior to the commencement of any clearing, excavation or other work in respect of the construction of the DWELLING SHOW HOME, the Permit Holder shall:
  - a. contact an Alberta Land Surveyor to survey the Proposed Lots in accordance with the Plan of Subdivision:
  - b. provide access to the DWELLING SHOW HOME such that the total unobstructed distance from a fire hydrant/firepond/other to the principal entrance of each DWELLING SHOW HOME is not more than ninety (90) metres or such distance as approved by Fire Rescue Operations. An access road(s) shall be constructed to County standards suitable for fire truck use; and
- 8. have erected on the site a sign bearing the words: "This Show Home has been approved for the sole purpose of marketing homes in this area. Be advised that this Show Home cannot be sold or occupied as a residential dwellings until such time that it has been approved for occupancy by Mackenzie County. For more information call "Insert Developer Name and Phone Number".

Author: _	S. Wahab	Reviewed by:		CAO	
-----------	----------	--------------	--	-----	--

- 9. A DWELLING SHOW HOME may not be used for occasional or permanent residential accommodation purposes.
- 10. Where full services are not available to the site, a DWELLING SHOW HOME shall be provided with a sanitary privy which meets the standards of all applicable health and safety legislation.

#### 11. In the event either:

- a. the owner of the site on which a DWELLING SHOW HOME is located fails to enter into an Residential Servicing Agreement with the County within one (1) year next following the issuance of a DEVELOPMENT PERMIT for the DWELLING SHOW HOME: or
- b. the owner of the site on which a DWELLING SHOW HOME is located fails to register a Plan of Subdivision for the subject lands in accordance with the an approval granted by the Subdivision Authority within one (1) year next following the issuance of a DEVELOPMENT PERMIT for the DWELLING SHOW HOME; or
- c. the DWELLING SHOW HOME is found not to meet the requirements of the DEVELOPMENT PERMIT issued therefore or otherwise fails to meet the requirements of this Bylaw; or
- d. the owner of the site on which a DWELLING SHOW HOME is located fails to adhere to the requirements of any Residential Servicing Agreement entered into with the County respecting the subject lands; or
- e. the DEVELOPMENT PERMIT for a DWELLING SHOW HOME expires without a replacement having been issued,

then the owner of the site on which a DWELLING – SHOW HOME is located shall forthwith remove the DWELLING - SHOW HOME from the site, fill in any excavations thereon and shall return the site and the surrounding lands to substantially the same condition in which the same were prior to the to the commencement of excavation for the DWELLING - SHOW HOME. The owner of the site on which a DWELLING – SHOW HOME is to be located shall deposit and shall maintain with the County, by way of cash or Letter of Credit to the satisfaction of the Chief Administrative Officer, security in the amount of TWENTY THOUSAND (\$20,000.00) against the requirements of this section. The said security, or so much thereof is then remaining, shall be returned, without liability for interest, upon either:

- f. the work outlined herein having been completed to the satisfaction of the DEVELOPMENT AUTHORITY; or
- g. a DEVELOPMENT PERMIT for the conversion of the DWELLING SHOW HOME to a DWELLING SINGLE FAMILY having been issued in accordance with this Bylaw.

-----------------------------------	--

the DEVELOPMENT AUTHORITY a Real Property Report confirming the location of the same on the site.

The application was presented to the Municipal Planning Commission (MPC) at their August 23, 2012 meeting where the following motion was made:

That the MPC recommends to Council to approve Bylaw 87....12, being a Land Use Bylaw to add Show Homes to the Land use Bylaw as amended, changing the security amount from \$20,000 to \$10,000.

## **OPTIONS & BENEFITS:**

All properties in Mackenzie County are assigned a zoning designation which allows certain uses and contains development standards such as building setbacks and parking requirements. In each zoning designation some uses are permitted, or prohibited, while others are designated as Discretionary Uses.

The Land Use Bylaw is the key tool used to regulate and control the use and development of all land and buildings in Mackenzie County. Therefore, it is at the heart of the development permit approval process and all land use re-designation applications. The land Use Bylaw is an important tool for implementing the policies of the Municipal Development Plan and Area Structure Plans.

A Discretionary Use is defined as a use that is listed within the discretionary use classes established in the use district tables of the Land Use Bylaw. The types of Discretionary Uses which may be permitted in individual land use districts vary. A Discretionary Use application requires a technical review by the Planning and Development staff, is subject to a public notification and review process, and is subject to the discretion of Council to approve or refuse.

It is important to emphasize that the objective of the Land Use Bylaw is to regulate the use and development of land and buildings within the boundaries of the County to achieve orderly and economic development of land. The addition of "Show Home" as a discretionary use to the Agricultural "A" District and the Residential Districts will help resolve the problem of land use conflict, incompatibility and will bring the Land use Bylaw in line with Municipal Development Plan regarding the effective management of land development. It will also be in line with the general development intent of the Municipal Development Plan to accommodate growth and development that is orderly, meets County guidelines and standards, and enhances Mackenzie County.

## **COSTS & SOURCE OF FUNDING:**

All costs will be borne by the County.

#### **BYLAW NO. 873-12**

## BEING A BYLAW OF MACKENZIE COUNTY IN THE PROVINCE OF ALBERTA

## TO AMEND THE MACKENZIE COUNTY LAND USE BYLAW

WHEREAS, Mackenzie County has a Municipal Development Plan adopted in 2009, and

**WHEREAS,** Mackenzie County has adopted the Mackenzie County Land Use Bylaw in 2011, and

**WHEREAS,** the Council of Mackenzie County, in the Province of Alberta, has deemed it desirable to amend the Mackenzie County Land Use Bylaw by adding Dwelling – DWELLING - SHOW HOMES to the Definitions, Agricultural and Residential District and to the General Regulations.

**NOW THEREFORE,** THE COUNCIL OF THE MACKENZIE COUNTY, IN THE PROVINCE OF ALBERTA, DULY ASSEMBLED, HEREBY ENACTS AS FOLLOWS:

1. That the Mackenzie County Land Use Bylaw Section 3.3, Definitions be amended to add:

"DWELLING – SHOW HOME" means a DEVELOPMENT consisting of only one future DWELLING UNIT which is separate from any other DWELLING UNIT or building, and which is supported on a permanent foundation or BASEMENT, and which meets the requirements for a residence as specified within the *Alberta Building Code*, and which is intended to be used for marketing purposes, only. A DWELLING – SHOW HOME may not be occupied for any residential purpose. A DWELLING – SHOW HOME may be converted to a DWELLING – SINGLE FAMILY upon the issuance of a Development Permit therefore, in which case the conversion shall be, notwithstanding anything else in this Bylaw contained, a DISCRETIONARY USE.

2. That the Mackenzie County Land Use Bylaw Section 7.16.5, General Regulations be amended to add:

## 7.16.5 <u>DWELLING – SHOW HOME</u>

The following regulations shall apply to DWELLING – SHOW HOME:

(a) On-site parking shall be provided at a rate of parking spaces per 100 m<sup>2</sup> of Floor Area of the DWELLING - SHOW HOME, and all curb crossings and

access points shall be designed and located so as to minimize on-site and off-site traffic impacts, to the satisfaction of the DEVELOPMENT AUTHORITY.

- (b) The siting and development of a DWELLING SHOW HOME shall be in compliance with the regulations of the Land Use Zone intended to be applied to the site to accommodate future residential development; provided that the DEVELOPMENT OFFICER may attach additional conditions to minimize adverse impacts on adjacent development, including the construction of roadways or temporary turnarounds, in accordance with Mackenzie County's Design Standards.
- (c) Excluding advertising copy, the colours and materials employed for the exterior finishes, whether permanent or temporary, shall be compatible with those commonly found in Residential Zones.
- (d) Any exterior lighting shall be designed and located such that no light is directed at adjoining properties and such that the effectiveness of any traffic control devices is not impaired.
- (e) A DEVELOPMENT PERMIT application for a DWELLING SHOW HOME shall be accompanied by the following information in addition to the information required by subsection 5.5.1 of this Bylaw:
  - i.) a context plan identifying the nature of the land uses and development within a 60.0 m radius of the proposed Site;
  - ii.) a description of the exterior finish materials and colours for any structure including any proposed hoardings or false fronts;
  - iii.) drawings showing the location, area, Height, construction material, colour and method of support for any proposed on-site identification and advertising Signs, including any advertising or supergraphics that shall be displayed on a hoarding or false front;
  - iv.) drawings showing the area, Height, construction materials and method of support for any proposed off-site Directional Signs, and a description of the proposed location for the Signs; and
  - v.) the security required by section (v), below.

- (f) A DEVELOPMENT PERMIT for a DWELLING SHOW HOME shall be valid for such a period of time as specified by the DEVELOPMENT AUTHORITY having regard for the amount of land or development being marketed, but in no case shall the time period exceed two years.
- (g) Prior to the commencement of any clearing, excavation or other work in respect of the construction of the DWELLING - SHOW HOME, the Permit Holder shall:
  - i.) contact an Alberta Land Surveyor to survey the Proposed Lots in accordance with the Plan of Subdivision;
  - ii.) provide access to the DWELLING SHOW HOME such that the total unobstructed distance from a fire hydrant/firepond/other to the principal entrance of each DWELLING SHOW HOME is not more than ninety (90) metres or such distance as approved by Fire Rescue Operations. An access road(s) shall be constructed to County standards suitable for fire truck use; and
  - iii.) have erected on the site a sign bearing the words: "This Show Home has been approved for the sole purpose of marketing homes in this area. Be advised that this Show Home cannot be sold or occupied as a residential dwellings until such time that it has been approved for occupancy by Mackenzie County. For more information call "Insert Developer Name and Phone Number".
- (h) A DWELLING SHOW HOME may not be used for occasional or permanent residential accommodation purposes.
- (i) Where full services are not available to the site, a DWELLING SHOW HOME shall be provided with a sanitary privy which meets the standards of all applicable health and safety legislation.
- (j) In the event either:
  - i.) the owner of the site on which a DWELLING SHOW HOME is located fails to enter into an Development Agreement with the County within one (1) year next following the issuance of a DEVELOPMENT PERMIT for the DWELLING – SHOW HOME; or

- ii.) the owner of the site on which a DWELLING SHOW HOME is located fails to register a Plan of Subdivision for the subject lands in accordance with the an approval granted by the Subdivision Authority within one (1) year next following the issuance of a DEVELOPMENT PERMIT for the DWELLING SHOW HOME; or
- iii.) the DWELLING SHOW HOME is found not to meet the requirements of the DEVELOPMENT PERMIT issued therefore or otherwise fails to meet the requirements of this Bylaw; or
- iv.) the owner of the site on which a DWELLING SHOW HOME is located fails to adhere to the requirements of any Residential Servicing Agreement entered into with the County respecting the subject lands; or
- v.) the DEVELOPMENT PERMIT for a DWELLING SHOW HOME expires without a replacement having been issued,

then the owner of the site on which a DWELLING – SHOW HOME is located shall forthwith remove the DWELLING - SHOW HOME from the site, fill in any excavations thereon and shall return the site and the surrounding lands to substantially the same condition in which the same were prior to the to the commencement of excavation for the DWELLING - SHOW HOME. The owner of the site on which a DWELLING – SHOW HOME is to be located shall deposit and shall maintain with the County, by way of cash or Letter of Credit to the satisfaction of the Chief Administrative Officer, security in the amount of TEN THOUSAND (\$10,000.00) against the requirements of this section. The said security, or so much thereof is then remaining, shall be returned, without liability for interest, upon either:

- vi.) the work outlined herein having been completed to the satisfaction of the DEVELOPMENT AUTHORITY; or
- vii.) a DEVELOPMENT PERMIT for the conversion of the DWELLING SHOW HOME to a DWELLING SINGLE FAMILY having been issued in accordance with this Bylaw.
- (k) The owner of the site on which a DWELLING SHOW HOME is located shall, within two (2) weeks or otherwise determined by the DEVELOPEMENT AUTHORITY following the placement of BASEMENT or foundation walls,

provide to the DEVELOPMENT OFFICER a Real Property Report confirming the location of the same on the site.

- (I) A DEVELOPMENT PERMIT converting a DWELLING SHOW HOME to a DWELLING – SINGLE FAMILY may not be issued unless and until Construction Completion Certificate has been issued, respecting all municipal services to the site in accordance with a Development Agreement made with the County.
- (m)Upon the issuance of a DEVELOPMENT PERMIT for a DWELLING SHOW HOME, the County may register a caveat against the title to the subject lands advising prospective purchasers that the said lands have not been approved for residential occupancy. Any such caveat registered by the County shall be discharged up the earlier of:
  - i.) the removal of the DWELLING SHOW HOME in accordance with the requirements of section (v), above; and
  - ii.) the issuance of a DEVELOPMENT PERMIT for the conversion of the DWELLING SHOW HOME to a DWELLING SINGLE FAMILY in accordance with this Bylaw.
- That the Mackenzie County Land Use Bylaw Section 8.1 B, AGRICULTURAL"A" be amended to add "DWELLING - DWELLING - SHOW HOMES" to the Discretionary Uses.
- 4. That the Mackenzie County Land Use Bylaw Section 8.6 B, HAMLET COUNTRY RESIDENTIAL 1 "HCR1" be amended to add "DWELLING SHOW HOMES" to the Discretionary Uses.
- 5. That the Mackenzie County Land Use Bylaw Section 8.7 B, HAMLET COUNTRY RESIDENTIAL 2 "HCR2" be amended to add "DWELLING SHOW HOMES" to the Discretionary Uses.
- 6. That the Mackenzie County Land Use Bylaw Section 8.11 B, HAMLET RESIDENTIAL 1 "HR1" be amended to add "DWELLING SHOW HOMES" to the Discretionary Uses.

- 7. That the Mackenzie County Land Use Bylaw Section 8.12 B, HAMLET RESIDENTIAL 1A "HR1A" be amended to add "DWELLING SHOW HOMES" to the Discretionary Uses.
- 8. That the Mackenzie County Land Use Bylaw Section 8.13 B, HAMLET RESIDENTIAL 1B "HR1B" be amended to add "DWELLING SHOW HOMES" to the Discretionary Uses.

Meeting: Mackenzie County Council Meeting

Meeting Date: September 24, 2012

Presented By: Byron Peters, Director of Planning & Development

Title: 80 Acre Splits

## **BACKGROUND / PROPOSAL:**

80 acre splits were last on the agenda at the March 28<sup>th</sup> Council Meeting, and motion 12-03-214 was carried:

"That the Municipal Development Plan conditions with respect to the fragmentation of agricultural land will be upheld and that the applicant be notified."

Since then ratepayers have brought the issue to the Municipal Planning Commission, which passed Motion 12-144 at the July 26 MPC meeting which states:

"That the MPC recommend that Council revisit the 80 Acre Splits."

Administration has completed some research into 80 acre splits, and no other northern municipalities currently allow 80 acre splits, however many southern municipalities do allow them.

In order for the County to allow 80 acre splits, the Municipal Development Plan would need to be amended. Once that amendment was complete the Land Use Bylaw would also need to be amended.

Administration feels that the County should have policies in place that limit the fragmentation of agricultural land. The current bylaw allows for twenty acres to be removed from a quarter section for acreages, plus a homestead on the remainder of the land for a total of 30 acres of yard site. This already fragments agricultural land, and administration feels that more land should not be lost due to fragmentation. This could allow for 80 acre splits if the maximum acreage size was reduced to 5 acres, which

Author: B. Peters Review Date: CAO	
------------------------------------	--

would allow four yards per quarter section, but still only 30 acres of yard site per quarter section.

Administration feels that the best approach to take if Council does indeed wish to allow 80 acre splits is to adopt a bylaw/policy similar to the County of Stettler, which is attached for your perusal.

## **OPTIONS & BENEFITS:**

Council's option is to allow 80 acre splits or to not allow 80 acre splits. There are many pros and cons for each side of the argument, and Council must remember that if 80 acre splits are approved other measures will need to be implemented in order to prevent further fragmentation of agricultural land.

## **COSTS & SOURCE OF FUNDING:**

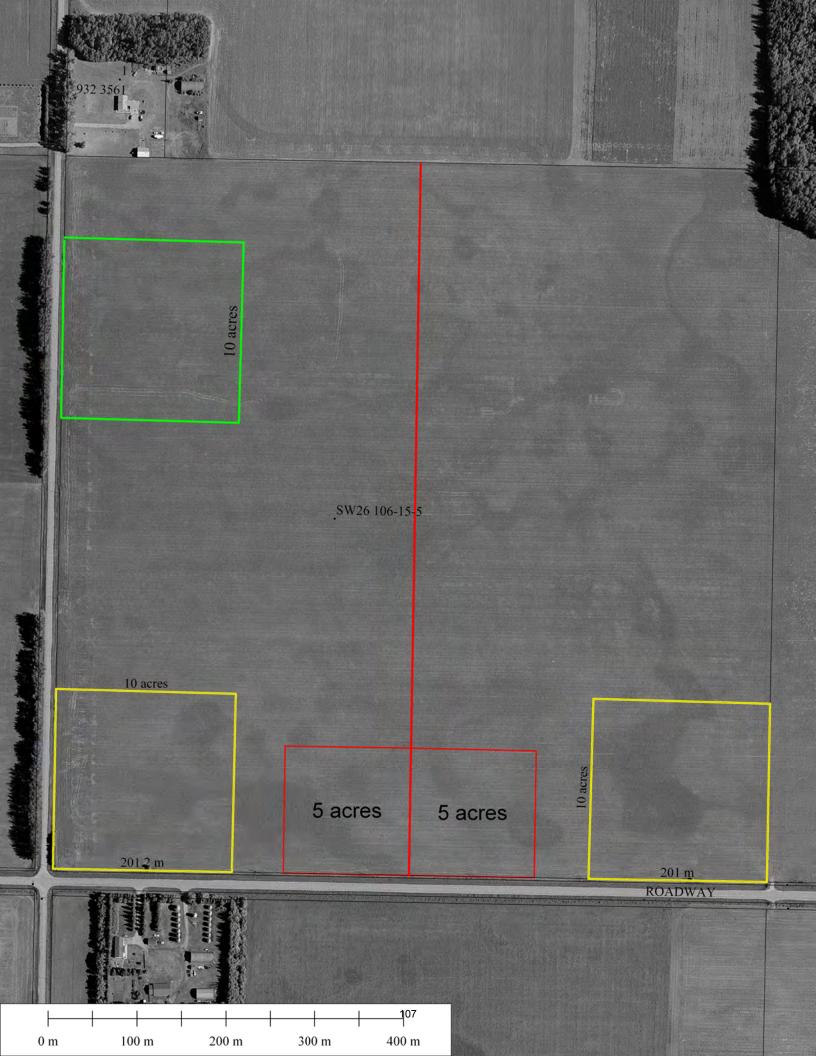

There are costs to amend the MDP and land use bylaw. These will be associated with advertisements and public consultation process for both MDP and LUB.

Please note that any person could apply for MDP amendment at a fee as specified in the County's Fee Schedule bylaw.

## **RECOMMENDED ACTION:**

For Discussion

From: Johan van der Bank [jvanderbank@stettlercounty.ca]

Sent: Tuesday, September 18, 2012 11:56 AM

To: Byron Peters
Subject: 80 acre parcels

#### Hello Byron

In 2009 the County of Stettler stopped the practice of evaluating subdivision applications based on "usable farmland" or "agricultural soil rating". The County now deems all land to be farmable in one way or another (e.g. grazing, greenhouse) regardless of soil types or farmland rating. The County encourages bare parcel subdivisions to be not more than five acres and farmstead separation parcels to be not more than ten acres. As an encouragement the County created a Rural Development Fund into which subdivision applicants must make a financial contribution at predetermined rates based on parcel sizes. The contribution is not part of the subdivision application fee, so when an application is refused, the contribution is refunded. The system works as follows:

### For bare parcels:

- ? Up to five acres \$50
- ? Between 5 acres and 10 acres \$5,050
- ? More than 10 acres (any size) \$5,050 plus \$200 per acre over 10 acres (e.g. an 80 acre split would require \$19,050

#### For farmstead separation:

- ? Up to ten acres \$50
- ? Between 10 acres and 15 acres \$5,050
- ? More than 15 acres (any size) \$5,050 plus \$200 per acre over 15 acres (e.g. an 80 acre split would require \$18,050

Basically it comes down to this: if a parcel size makes business sense to the applicant (say a greenhouse on 80 acres), then the contribution to the Rural Development Fund becomes a business decision. Or, when a farmstead separation would otherwise be required to upgrade the open discharge sewage system to a field system that could cost \$15,000 or more, they could take more land into the parcel to meet the setback distances. Again, it is a business decision.

Since September 2009 the County has raised almost \$100,000 into the Rural Development Fund. In three years we have not been challenged on the fund; like I said it becomes a business decision. This fund can be used at Council's discretion for any project that they deem to qualify as a rural development project, e.g. cemetery maintenance, recreational amenities, etc. Last year the Council donated \$10,000 from this fund to the STARS Ambulance.

If you have any further questions, give me a call. Johan

## MACKENZIE COUNTY REQUEST FOR DECISION

Meeting: Regular Council Meeting

Meeting Date: September 24, 2012

Presented By: William Kostiw, Director of Infrastructure Development &

**Government Relations** 

Title: Land Use Framework / Lower Peace

## **BACKGROUND / PROPOSAL:**

As previously discussed with Council, the Land Use Framework, and the long term effects of excessive reallocation of the Eco Zones may have a very negative impact on Mackenzie County industries, as well as our tax base. Currently 50% of the land base north of the 25 parallel is already tied up.

## **OPTIONS & BENEFITS:**

Although certain amounts of ecological reservoirs are important, it should be Province wide not all deferred to Mackenzie County. The benefit is neutral at best, and will very likely be negative with loss of jobs, and loss of tax base revenue.

The options are to lobby both the Provincial government, and the Peace Land Use Framework Committee to change their position, and take less reserve lands than currently forecast.

The other option is to create a standalone Lower Peace Land Use Framework committee that includes members of Mackenzie County Councillors and CAO.

## **COSTS & SOURCE OF FUNDING:**

The estimated cost of this lobby is \$10,000 (council committee meetings, professional fees, etc).

The estimated loss if we lose may	be millions of dollars to	o industry, and the (	County.

# MACKENZIE COUNTY REQUEST FOR DECISION

Meeting: Regular Council Meeting

Meeting Date: September 24, 2012

Presented By: Joulia Whittleton, Chief Administrative Officer

Title: Economic Developers Alberta Course – Supporting

Agriculture

## **BACKGROUND / PROPOSAL:**

Councillor Jorgensen has expressed interested in attending an EDA Course (Supporting Agriculture) being hosted by Lac Ste. Anne on October 29, 2012.

## **OPTIONS & BENEFITS:**

It appears as this program is geared towards administrative personnel and not elected officials.

## **COSTS & SOURCE OF FUNDING:**

Registration Fee - \$115.00 Travel Costs - \$1,218.00 Per Diems - \$600.00

Total Cost - \$1,933.00

## **RECOMMENDED ACTION:**

For discussion.

Author:	C. Gabriel	Review by:	_ CAO

## **CEDTP Courses**

Economic development is an intensely competitive field and a wide variety of community economic development organizations exist in Alberta.

Regardless of the size of the community or region served, or the size of the budget, using best practices and established tools can be used to achieve success in growing and maintaining strong communities.

The CEDTP course series has been designed to:

- Broaden and deepen the awareness and knowledge of economic development.
- Provide knowledge, tools, resources, and support systems for those practicing economic development.
- Define the function and applications of economic development, as well as direct links to sustainable and balanced growth.
- Deliver educational opportunities to those interested in certification and professional development in the field of economic development.
- Provide skill development for those practicing economic development.

#### **Courses Offered:**

The following courses are available:

**Economic Development – Establishing the Foundation**- Learn the principles, theories, and fundamentals of economic development that form the basic foundation of every community.

**Business Retention and Expansion** - Integrate effective assessment and planning tools in order to help you build and retain a strong business community.

**Business and Investment Attraction -** Discover the important role business and investment attraction plays in advancing your economic development strategy.

**Marketing and Branding Your Community - (NEW)** To provide a basic understanding of marketing and branding principles as they apply to community economic development

**Opportunity Identification** - Uncover fundamental principles that will help you identify, assess, and nurture potential opportunities for economic growth.

**Project Management** - Learn how to adopt a project management framework to plan and execute successful economic development activities in your community.

**Supporting Agriculture through Community Economic Development** - Adopt assessment and planning tools to support and expand your agriculture sector by implementing collaborative economic development activities.

For more information, or to book a training session, contact us at <a href="mailto:admin@edaalberta.ca">admin@edaalberta.ca</a> or phone us at 1.866.671.8182.

Sent: Thursday, September 13, 2012 12:50 PM Subject: Changes to the Land Use Secretariat

Hello

As of September 10, Mr. Glenn Selland is the Stewardship Commissioner of the Land Use Secretariat. Mr. Selland has been with the Alberta Government for more than 30 years working primarily in the area of public land management and takes on this role in addition to his role as the Assistant Deputy Minister of the Integrated Resource Management Planning Division (IRMPD).

After more than 30 years working with the Alberta Government, Morris Seiferling has stepped down from his role as the Stewardship Commissioner. His retirement comes after many highlights and successes throughout his career from his first days as a Public Lands officer in Drayton Valley to his last role with the Land use Secretariat.

The operations and mandate of the Land Use Secretariat remain unchanged. Any correspondence can still be sent directly to the LUS office via email: <u>LUF@gov.ab.ca</u> or by phone: 780-644-7972 or by mail:

9<sup>th</sup> Floor, 10035 108 St. Centre West Building Edmonton, AB T5J 3E1

This email and any files transmitted with it are confidential and intended solely for the use of the individual or entity to whom they are addressed. If you have received this email in error please notify the system manager. This message contains confidential information and is intended only for the individual named. If you are not the named addressee you should not disseminate, distribute or copy this e-mail.

#200, 3601 A - 21 Street NE Calgary, ABT2E 6T5 | 403, 291, 9111 | TOLL FREE (AB) 1, 800, 265, 9111 | FAX, 403, 291, 0190

August 28, 2012

Dear Members of Council,

Legislation ending the Canadian Wheat Board's monopoly to market western grain is resulting in new opportunities for the agriculture sector. The barley industry is poised to take advantage of these changes and create new opportunities for growth and prosperity throughout the entire value chain. To that end, for the past year, barley producers and other industry partners have been working to establish the **Barley Council of Canada (BCC)**.

The **BCC** is a grass roots farmer lead organization aimed at building a healthy, vibrant barley industry. As a producer lead organization, it ensures that farmers are setting the direction for their own industry. I have included some information about the **BCC** with this letter.

The **BCC** is receiving overwhelming support from across Canada; including from Federal Agriculture and Agri-Food Minister, Honourable Gerry Ritz, and Saskatchewan Agriculture Minister, Mr. Lyle Stewart, on behalf of the government and people of Saskatchewan.

I am writing to ask for your personal support and the support of your council in the formation of the **BCC**.

Please review the information, complete the support form provided below or attached and return it to us via email at <a href="mailto:bccinfo@albertabarley.com">bccinfo@albertabarley.com</a>, or fax at (403) 291-0190, at your earliest convenience.

We also ask that Council consider passing the following resolution:

Whereas changes to the Canadian grain marketing system have provided new opportunities for the barley industry,

And whereas a healthy barley industry is an important part of the Saskatchewan and Canadian economy,

And whereas it is important for the barley industry to take full advantages of the new marketing and growth opportunities,

And whereas it is essential to have a grassroots producer lead organization,

Therefore be it resolved that this Council supports the formation of the Barley Council of Canada as a grass roots producer lead organization setting the direction and priorities for Canada's barley industry.

#200, 3601 A - 21 Street NE Calgary, AB T2E 615 | 403.291.9111 | TOLL FREE (AB) 1.800.265 9111 | FAX: 403.291.0190

If you have any questions please don't hesitate to contact me.

Sincerely,

Lisa Skierka

Administrator, Barley Council of Canada Working Group

General Manager, Alberta Barley Commission Iskiera@albertabarley.com

#200,3601A - 21 Street NE Colgary, ABT2E 675 | 403.291.9111 | TOLL FREE (AB) 1.800.265.9111 | FAX: 403.291.0190

## Overview - Barley Council of Canada

In order to secure the long-term success of the Canadian barley industry, there is a need for a focused national approach for barley in Canada. The decline of barley acres and a lack of investment continues to hamper the health of the Canadian barley industry.

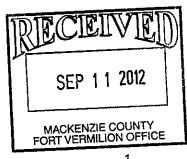

To change this trend, a more focused and comprehensive approach for barley in Canada is needed.

As a solution, the formation of a Barley Council of Canada (similar to the Canola Council model) has been proposed by several groups in the barley value chain. The overarching goal of the council would be to enhance the barley industry in Conada by bringing the entire barley value chain together to develop and implement a common vision for the long-term sustainability and growth of Canadian barley.

As of August 2012, changes in marketing of Canadian barley take effect, adding another factor of uncertainty to the industry. There are many functions the Canadian Wheat Board (CWB) currently manages for barley that need to be managed elsewhere when the CWB is removed; the Barley Council of Canada proposes to fill this gap.

Currently, the Canadian barley industry possesses several excellent organizations, researchers and companies. A national council would allow these organizations to be more securely funded and flourish regardless of the market environment. In the long-run, this will be to the benefit of the entire industry.

The proposed model of a Barley Council of Canada follows. This proposal has support from various organizations/companies from across the industry.

#200, 3601A - 21' Street NE Colgary, AB 12E 615 | 203.291, 9111 | TOLL FREE (AB) 1,800,265,9111 | FAX: 203.291,0190

 $\langle \rangle$ 

## Barley Council of Canada – Proposed Model

## GOAL:

To enhance the barley industry in Canada by bringing the entire Canadian barley value chain together to develop and implement a common vision for the long-term sustainability and growth of the Canadian barley industry.

## **AREAS OF FOCUS:**

- 1. Variety Development to Improve Quality via Research and Breeding
  - > Support of barley breeding groups (including geneticists, molecular biologists, chemists and pathologists) to develop improved malt, feed and food varieties (yield, disease resistance, quality etc.) and of barley agronomy researchers
  - > Align variety development efforts to grower and customer quality needs, with emphasis on malting, food barley and feed/forage
  - > Focus on the nutritional benefits of barley as food.

## 2. Crop Production

- > Focus on grower profitability
- Use print & electronic mediums to advise the industry and growers on best practices on production management
- > Consult & educate growers on best practices to deliver the highest quality product
- > Educate growers on the requirements of customers of Canadian barley
- > Consult & educate growers on marketing alternatives via clinics, meetings, etc.
- > Coordinate issues management, such as chit, green, harvest and storage management.

## 3. Marketing, Development & Access

- Assist the industry in upcoming barley marketing changes
- > Assist the industry in market development with a focus on major emerging markets
- Maintain access to key markets and work to remove market access barriers
- > Actively participate in international trade discussions to open markets with access issues
- > Ensure the industry's perspective is considered in all bilateral/multilateral trade-related negotiations with respect to barley or agriculture
- > Influence and communicate with government on policies

#200, 3601A - 21 Sheet NE Colgory, ABT2E 615 | 403.291.9111 | TOLL FREE (AB) 1/800.265.9111 | FAX: 403.291.0190

- Actively invest in product development and market development for barley for human consumption based on health claims and other research; create corresponding national and international promotions
- Address the barriers and opportunities related to the value of feed barley for livestock compared to other feed ingredients
- 4. Understanding of the Barley Industry
  - Improve communication and educate all levels of the supply chain and government on the industry
  - Demonstrate our strengths, challenges and goals so they can continue to invest in our future

## **WORKING GROUP ORGANIZATIONS:**

- 1. Alberta Barley Commission (ABC)
- 2. Anheuser-Busch
- 3. Atlantic Groins Council
- 4. Barley Development Council (BDC)
- 5. Brewing & Malting Borley Research Institute (BMBRI)
- 6. Canadian Malting Borley Technical Center (CMBTC)
- 7. Canadion Wheat Board
- 8. Grain Farmers of Ontario
- 9. Malting Industry Association of Canada (MIAC)
- 10. Prairie Malt Limited
- 11. Public Barley Researchers
- 12. Western Barley Growers Association (WBGA)
- 13. Western Feedlots
- 14. Molson Coors Canada

## **ORGANIZATIONS CONSULTED:**

- 1. Brewers Association of Canada (BAC)
- 2. CIGI
- 3. Exporter(s)
- 4. Grain Formers of Ontario
- 5. Inland Terminal Association of Canada (ITAC) Prairie West Terminal

#200,3601A - 21 Street NE Colgory, AB 12E 515 | A03.291.9111 | TOLL FREE (AB) 1.800.265.9111 | FAX: 403.291.0190

The working group realizes that other value chain associations will be required to participate in the National Barley Council if it is to be successful. Discussions amongst working group members and groups like the Western Grain Elevators Association (WGEA) and the Western Grains Research Foundation (WGRF) are ongoing.

## **STRUCTURE:**

Following the formation of the Board of Directors, it is anticipated that various committees will be established to deal with the specific areas of focus. There may be several committees within each area of focus. These committees would include experts from the industry in each respective area, as well as grower representation. Rather than reinventing the wheel, such committees may be constituted around existing organizations within the barley value chain.

## **FUNDING OPTIONS:**

A multi-province, voluntary refundable levy collected at the buyer (end-user) is proposed. It is important that the support of this organization is not placed solely on the grower but is a co-operative arrangement with the end user (maltsters, brewers, feed mills, bio-ethanol, etc).

## **ADMINISTRATION:**

The Alberta Barley Commission has offered administrative support for the national organization. Although not yet formalized, this could include levy collection through existing systems, with collected funds going directly to the national council.

The Barley Council of Canada's working group believes it is feasible for the new organization to be up and running within three to six months. As the ABC is currently the only provincial, grassroots-elected producer organization for barley, it makes sense to administer the levy—or any other barley-related funding—through ABC's existing systems.

**Barley Council of Canada Support Form** Yes, I am/my organization is interested in participating in or otherwise supporting the development of the Barley Council of Canada: Date Name/Title Organization Signature Comments (Optional):

Recording Secretary: Melanie Plantinga

## 1. CALL TO ORDER

Meeting called to order at 5:36 pm.

## 2. ADOPTION OF THE AGENDA

Moved by Don Warman. Carried

Jannoa

## 3. APPROVAL OF MINUTES (June 5, 2012)

Moved by Boyd Langford Seconded by George Friesen Carried

## 3.1 Action Items from June 5<sup>th</sup>, 2012:

- **3.1.1** Clipping service Melanie has prepared clippings.
- **3.1.2** Audit Report Summary was reviewed at the June 5<sup>th</sup> meetings, and the full copy is available on request. Melanie sent the report to all PAG members who attended last meeting.

## 4. NEW BUSINESS

- 4.1 Terms of Reference revisited:
  - After reviewing the Terms of Reference (ToR) at the previous meeting some items were noted that needed to be changed. The Terms of Reference have been edited to define the roles of Tolko High Level Lumber Division, Ainsworth and LaCrete Sawmills as it relates to Sustainable Forest Management Certification, the Defined Forest Area (DFA) and Forest Management Plan (FMP). Jeremy reviewed the changes with the PAG and requested feedback. No questions or comments arise.
    - Action item: Due to a shortage of attendees the ToR will be tabled until the next PAG meeting.

## 4.2 Get to Know You Night"

4.2.1 High Level - Will be held on September 12<sup>th</sup>, 2012, any members from the PAG interested in helping at the booth are welcome to join Jeremy and Melanie there. Goals include: generating interest and public participation in the PAG. Make the changed (TOR) available to the public.

Suggestions for the booth? Suggestions to renew public interest in the PAG.

Would a Guest speaker help to generate interest? George comments that it has been a while. Discussion about previous speakers and their contributions. This may create interest.

Jeremy asks if George thinks that periodic changes of location would facilitate attendance of people in other communities (LaCrete). George doesn't think it would be helpful, people do not find travel a great deterrent. If the PAG visited Rainbow Lake or LaCrete it would mean additional travel for people at the opposite side of the DFA. The PAG will not investigate other locations at this time since High Level is the most central community.

Would winter tours of the logging operations be interesting to the general public? George comments that previous tours were well attended. Not only the PAG/PAC members attend but their spouses also came out.

- 4.2.2 September 14<sup>th</sup> Jeremy will attend the "Get to Know You Night" in LaCrete George may stop by. September 26<sup>th</sup> Trudi Lang, Trilang Consultants, Tolko High Level Lumber Division EMS coordinator will attend the Rainbow Lake "Get to Know You Night".
- These events are being planned to meet several goals. To raise public awareness about sustainable forest management. To create an opportunity to present the indicators and SFM plan to the public and to record public response.
- 4.3 Open House on September 17<sup>th</sup> Noon till 7:00pm, Town of High Level Town Hall

This event has objectives similar to the above noted events.

## 4.4 Values and Objectives

"Values and Objectives 2012 Sustainable Forest Management Plan" was distributed to the PAG. See Attached. The suggested changes are presented followed by the most similar current values. The local values are specific to the High Level DFA.

Objective – future goal, state or condition

Indicator – method of determining if the objectives have been met.

Boyd indicates that the boxes with "Missing" entered are misleading. It suggests that something has been removed. In this context "Missing" just means that there was nothing in the previous SFMP which corresponds to the new values, objectives or indicators. It may be better to leave the boxes blank.

George points out that the "Values" from the old plan are similar to the "Objectives" in the new plan. Jeremy agrees that this is a good observation. During the review of the old SFMP the consultant also noted that the values were more like objectives than values.

- 4.5 General Overview of new indicators in SFM Plan
  - 1.1.1 Ecosystem area by type. DFA include quotas, F-1 DMI, F14 government managed units Dene area, DMI's P19, as well as FMA 0200040. Different natural subregions based on elevation, soils, species groups, different ecosystem types. Climate change may change boundaries of natural subregions over time. Natural subregion boundaries guide seed collection and

seedling transfer. Tolko will track sub region changes. Update will occur at DFMP (ten years). Break down of area (hectares) of each subregion in the DFA will be reported in the first year.

- 1.2.3. Proportion of regeneration comprised of native species. This indicator is part of the ESRD compliance with the reforestation standards of Alberta. Boyd asks when cutting an area which has been harvested before would reforestation be of species on site at time of 1<sup>st</sup> or 2<sup>nd</sup> harvest. Although the standard would be to species on site at time of 2<sup>nd</sup> pass, Tolko is not yet harvesting areas which are at that stage.
- 4.1.1 Net carbon uptake/balance. Maintenance or increase of forest carbon stocks. Carbon budget modeling has been considered, however it is not something that the general public is fully aware of or can understand. Fire has more of an impact than Tolko's operations. Tolko is in partnership with AFGO, to consider carbon budget. Don asked if an inventory may be a good place to start to show current carbon levels. The forest industry in Alberta is developing into the carbon trading/budgeting business. Tolko will delay carbon budget model until government standards are established. We will see during the next audit how the auditor interprets this indicator.
- <u>5.2.2. Level of investment in training and skills development.</u> Safety and environmental training is provided to employees and contractors through HLEMS online training. Also, there is a measure of employment to students & internships towards forestry careers.
- <u>5.2.3 Level of direct and indirect employment.</u> Relatively stable employment rates over time are the goal. To maintain employment levels High Level lumber division will harvest the annual allowable cut. 4 jobs per 1,000 m3 harvested is the standard. Is this multiplier appropriate? Boyd calculates that roughly 5600 jobs are the goal. Based on a reliable source Jeremy believes this estimate is appropriate based on the jobs created from the stump to the end customer.
- 5.2.4 Level of Aboriginal participation in the forest economy. Maintain or increase working relationships. Current agreement in place with Dene Tha First Nation that involves aspects of planning, education, employment and wood purchase agreement. There have been wood purchase agreements with LRRCN. Beaver First Nation is interested in participation. By having defined relationships with FNs it just makes good business sense as they are future employees in the region. REDI has an aboriginal engagement initiative in progress. Dan Fletcher is the new Manager of REDI. He has begun having meetings with each band. REDI is planning a symposium.
- 6.1.1 Evidence of a good understanding of the nature of Aboriginal title and rights. 100% Woodlands employees who interact with First Nations receive training. Awareness training available online is the eventual goal. Need to have training that allows us to be in compliance with law and legislation changes. Training not yet set up, working towards it. Don asks if there is consultation with aboriginal groups about forest practices. Jeremy responds that this is required by law. There are other indicators that deal with consultation.
- 6.3.2 Evidence of cooperation with DFA related workers and their unions to improve and enhance safety standards, procedures and outcomes in all DFA related workplaces and affected communities. Intent is to have a safety

program in place for Woodlands staff and all contractors and then track and report performance on certification of program. Contractors are required to have system in place however Tolko does not manage their system. COR requirements may be tough for smaller contractors.

- <u>6.3.3 Evidence that a worker safety program has been implemented and periodically reviewed and improved.</u> Reviewed with 6.3.2.
- 6.4.1 Level of participant satisfaction with the public participation process. Participant satisfaction survey will be created and conducted. PAG and other members of public who have shown interest.
- 6.4.2 Evidence of efforts to promote capacity development and meaningful participation in general. Track education initiatives about SFM. Northern lights Forest Education Society could be part of Tolko's initiative. Reports and plans on web site. PAG meetings, tours and open houses.
- 6.4.3 Evidence of efforts to promote capacity development and meaningful participation of Aboriginal communities. Initiate conversation about Sustainable forestry and learn about traditional aboriginal values. Boyd reports on a REDI futures game, which teaches children how a decision made today may affect what happens 5 years from now.
  - ➤ The other indicators were in the previous SFMP. Jeremy or Melanie will send the complete document to the PAG.
- 4.6 Next steps with SFM Plan
  - Feedback from open houses' will be reported to PAG in October. At the next meeting November 6, the SFM Plan will be presented and discussed.

## 5 CLIPPING SERVICE

Has resumed

## **6 AROUND THE TABLE**

- 6.1 Jeremy reports that if anyone is interested the area burnt this summer is on a map available on the government website. Some of the fire was on Tolko's FMA. Some previously planted and surveyed cut blocks (3800 ha) will have to be replanted. The fire burnt very hot and not much of the burned trees can be salvaged.
- 7 NEXT MEETING November 6th, 2012
- 8 ADJOURNMENT 7:42

## V.S.I. SERVICES (1980) LTD

A nonprofit organization providing veterinary care in Alberta

BOX 202

FAIRVIEW, AB T0H 1L0 PH 780 835 4531

September 18, 2012

Mr. Dicky Driedger, VSI Representative Mackenzie County Box 640 Fort Vermilion, AB T0H 1N0

Dear Dicky

The Annual General Meeting (AGM) of V.S.I. Services (1980) Ltd. will be held on <u>Friday November 23, 2012</u> at 10:00 a.m. in the main floor Boardroom of the Peace River Provincial Building.

This is a preliminary notification. The agenda and supporting documents will be sent to you 2 to 3 weeks before the meeting date.

The AGM is held in late November to ensure that the Alberta Veterinary Medical Association recommended fee schedule, which is set by the end of October, is available and to allow time for the 2013 contracts to be in effect as of January 1, 2013. The 23<sup>rd</sup> of November was selected to ensure that we don't conflict with the AAMDC meeting as has happened in the past.

If you have any items that you would like to have placed on the agenda please get them to me before October 31.

Please note that the AGM is the time when each participating jurisdiction states what level of support they are willing to provide for VSI in the next year. This is the time to make any changes that you may want. Please ensure that you are aware of your Council's decision regarding their VSI participation in 2013 so that this information can be presented at the meeting.

Information provided at this meeting will provide the basis for the wording of the VSI contracts for 2013.

If you have any questions please feel free to contact me.

Yours sincerely

CC

Jim Henderson, Manager

Mr. Grant Smith, Ag. Fieldman
