**ANNUAL ELECTRICAL PERMIT PROCESS**

An Annual Electrical Permit may be issued to an establishment that employs a full time qualified Electrician or hires an electrical contractor to perform minor electrical upgrades or renovations (an electrical project value of less than \$10,000.00) on the premises identified on the permit application. Installations over \$10,000.00 in job value require a separate electrical permit.

The establishment shall maintain a current and accurate two-year record of all electrical upgrades or renovations and shall make it available to Mackenzie County upon request. The establishment is responsible for the electrical work required to satisfactorily complete the electrical installation covered by the permit.

A single Annual Electrical Permit may be issued to cover all minor electrical upgrades or renovations performed during a full calendar year or for a lesser period of time when required. The permit fee shall be based on a full calendar year.
