HUTCH LAKE

CAMPGROUND & DAY USE

Mackenzie County

Last Updated: May, 2021

ABOUT US

Just north of High Level, in the shadow of Watt Mountain, lies the beautiful man-made Hutch Lake. The surrounding area is complete with trails for cross-country skiing and snowmobiling in the winter, or hiking and quadding in the summer.

Our large day use area so close to High Level makes Hutch Lake a great spot for day trips. It is just off the pavement, clean, well maintained, and all around a wonderful place to relax and enjoy the great outdoors.
