Purpose

To advance cooperation with other municipalities

Policy Statement and Guidelines

The Council of the Municipal District of Mackenzie recognizes the benefits of promoting a cooperative and harmonious relationship with surrounding municipalities within the region. In striving to promote this concept benefits to this municipality should identify improved levels of service, reduced duplication of services, reduced costs and increased efficiencies, and improved working relationships with the council and administration of the surrounding municipalities.

When approached by another municipality to work together, the Council and Administration shall review the proposal to determine if there is a mutual benefit.
