

Municipal District of Mackenzie No. 23

Title	ROAD MAINTENANCE	Policy No:	PW005
--------------	-------------------------	-------------------	--------------

Legislation Reference	Municipal Government Act, Section 18 and 532 (1)
------------------------------	---

Purpose

To establish maintenance standards for municipal roads.

Policy Statement and Guidelines

As determined by the Superintendent of Road Operations or Designate:

Hard surfaced roads shall be patched, crack-sealed and line painted. Roads shall be resurfaced in accordance with the municipality's long range and annual road programs.

Gravel surfaces shall be graded and repaired and an annual gravelling program will be carried out in accordance with the Road Gravelling Policy.

Winter grading operations shall be in accordance with the Winter Maintenance Policy.

Signage shall be installed in accordance with generally accepted engineering standards. The "Uniform Traffic Control Devices for Canada" shall be used as a guide.

Inspections shall be carried out as follows:

- bridges and major culverts (4 foot diameter or greater): at least once annually
- secondary highways: staff shall watch for and report any instances of deteriorated road conditions to ensure freedom from hazardous situations.
- local roads: during routine grader blading operations
- signage: staff shall watch for and report any instances where signage has been damaged or removed.

The Chief Administrative Officer is authorized to approve all routine maintenance operations within the approved budget.
