--------------	---------------------------------	-------------------	--------------

Purpose

To establish crop damage rates for landowners adjacent to municipal construction projects.

Policy Statement

It is necessary to compensate landowners for crop damage if it is as a result of a municipal project construction.

Guidelines

Where municipal road construction extends beyond the right-of-way in a rural area there is usually crop damage to the existing land. Landowners shall be compensated as follows:

1. \$400.00 per acre for damage to cereal, pulse or seed crop
2. \$400.00 per acre for damage to seeded hay or pasture
3. \$50.00 per acre for damage to native land

Prior to working outside of the right-of-way the municipality shall enter into an agreement with the landowner.

There shall be no compensation for easements or right-of-way agreements within hamlet limits.
